DEPARTMENT OF AGRICULTURE, BENGAL.**PRELIMINARY FORECAST OF THE JUTE CROP OF BENGAL, 1937.**

[NOTE.—On an average of the five years ending 1934-35, the area under jute in Bengal to which this forecast relates, represents some 85·5 per cent. of the total area under jute in British India.]

The Preliminary forecast deals only with the estimates of area sown and the condition of the crop at the time of publication of the forecast. The estimates of area are based on information received through the Collectors from the Revenue Staff; also from the Panchayets and Agricultural Officers.

Area Sown in 1937.—In Bengal returns for the present season show a total area of 2,114,700 acres, a decrease of 71,700 acres, or about 3·3 per cent. as compared with the revised figures for 1936.

Character of the season.—Rainfall in February was sufficient for the preparatory tillage and for the sowing of the early crop in the low land tracts of East Bengal. March and April were dry and sowings proceeded slowly in certain low lands of East and North Bengal with the usual soil moisture, but elsewhere the operation was practically suspended for a while. Rainfall from the end of April and onwards facilitated sowings over large tracts of North and also in parts of East Bengal. Subsequent conditions were generally favourable for the growth and development except in some waterlogged tracts of East and North Bengal. In West Bengal rains though late were helpful for sowings and the present outlook is promising.

Present state of the crop.—With the exceptions noted above, the crop is generally reported as fair.

Stock.—Collectors report that stocks in the hands of cultivators are small.

M. CARBERY,

Director of Agriculture, Bengal.

DEPARTMENT OF AGRICULTURE, BIHAR.

PRELIMINARY FORECAST OF THE JUTE CROP OF BIHAR, 1937.

[NOTE.—On an average of the five years ending 1934-35, the area under jute in Bihar to which this forecast relates has represented some 6·7 per cent. of the total area under jute in British India.]

The present forecast deals only with the estimated area sown. It gives also a general survey of prospects but makes no reference to the probable outturn either in percentage figures or in bales.

2. **Acreage.**—I estimate the area sown during the current and four preceding years in round numbers as follows:—

Year.	Acreage.
1933	192,100
1934	173,800 (Revised).
1935	142,000
1936	463,600 (Revised).
1937	463,600

3. **Weather conditions.**—In March scanty showers fell in all the jute-growing districts except Darbhanga and Purnea. The fall was below the normal. In April light rain fell in all the jute districts. The fall was below the normal everywhere. In May moderate rain fell in all the jute-growing districts. The fall was above the normal everywhere except in Purnea where it was slightly below the normal. In June light rain fell in all the jute districts except Muzaffarpur. The weather conditions are reported to be not quite favourable at the beginning in the important jute district of Purnea. Sowings were normal.

4. **District returns.**—Last year's area under jute has been finally estimated at 463,600 acres against 181,000 acres estimated by the District Officers. The increase is due to the area under jute in the district of Purnea having been disclosed to be 452,659 acres in the Jute Survey Report of the district of 1936 against 200,000 acres estimated in the final forecast of the crop. The total area under jute this year is estimated at 463,600 acres which is the same as in the last year.

5. **Condition and prospects.**—The condition of the crop is, on the whole, fair.

6. **General.**—The quantity of jute which remains in the jute districts from the crops of 1936 is reported to be small.

The statement below compares the estimated area under jute in this province this year with the preliminary and final figures of last year:—

DEPARTMENT OF DEVELOPMENT, ORISSA.

PRELIMINARY FORECAST OF THE JUTE CROP OF ORISSA, 1937.

The present forecast deals only with the estimated area sown. It gives also a general survey of prospects, but makes no reference to the probable outturn either in percentage figures or in bales.

2. **Acreage.**—The area sown during the current and four preceding years is estimated in round numbers as follows:—

Year.	Acres.
1933	19,100
1934	17,400
1935	17,200
1936	14,900*
1937	16,600

*In last year's forecasts all districts except Cuttack and Balasore were left out.

3. **Weather conditions.**—In March rain fell in all the districts. The fall was above the normal in the Balasore, Sambalpur, Ganjam and Koraput districts. In April the fall was above the normal everywhere except in the Balasore district where it was below normal. In May rain fell in all the districts. The fall was above the normal everywhere except in the Sambalpur, Ganjam and Koraput districts where it was below the normal. In June, so far, all districts have received rain.

4. **District returns.**—The area under jute last year was finally estimated at 13,500 acres. The actual figure was 14,900 acres, but the figures relating to all districts except Cuttack and Balasore were left out as insignificant. The total area under jute this year is estimated by District Officers at 16,600 acres. The increase in area is due to favourable weather at the time of sowing and also due to inclusion of figures of the Puri, Sambalpur and Ganjam districts.

5. **Condition and prospects.**—The condition of the crop is reported to be favourable. Sowing in the Koraput district had not commenced by the date the figures were collected by the Collector.

6.—**General.**—Very little jute remains from the crop of 1936.

The statement below compares the estimated area under jute in the Province this year with the preliminary and final figures of the last year:—

DEPARTMENT OF AGRICULTURE, ASSAM.

PRELIMINARY FORECAST OF THE JUTE CROP OF ASSAM, 1937.

[NOTE.—On the average of the five years ending 1934-35, the area under jute in Assam represents some 5.9 per cent. of the total area under jute in British India.]

1. **Season.**—The weather was generally unfavourable for the cultivation and growth of the crop due to drought in almost all the important jute-growing districts during the sowing season, which however has since considerably improved. Inadequate rainfall has retarded the growth of the crop in places. However, the present prospects of the crop are reported to be on the whole satisfactory but the outturn is expected to be below that of last year specially in the Surma Valley. Report of slight damage by insects has been received from Kamrup district.

2. **Area sown.**—The total area under jute as estimated by the Deputy Commissioners is 152,700 acres against 157,500 acres (revised) of last year. There is an increase in area in Sylhet, Goalpara, Lakhimpur and Garo Hills, while decrease in Kamrup and Darrang. The net decrease over last year's actual figure is 4,800 acres.

3. **Stock.**—According to the reports of the Deputy Commissioners very little jute remains in stock from the crop of last year.

RESOLUTION—No. 13824L.R.

Calcutta, the 12th July 1937.

Read—

The final report on the Survey and Settlement operations in the district of Birbhum.

Letter No. XXX/5-393, dated the 15th October 1936, from the Director of Land Records and Surveys, Bengal, submitting the report.

Letter No. 522R.G., dated the 20th February 1937, from the Commissioner of the Burdwan Division submitting his remarks on the report.

1. The Survey and Settlement of the district was sanctioned as a separate operation in 1920, and after the work had proceeded to the close of the cadastral stage in the first block it was stopped on financial grounds. The operation was restarted in 1924 as part of a combined operation in the districts of Murshidabad and Birbhum and was closed after the completion of case work in the year 1932-33.

2. The district of Birbhum is situated at the westernmost extremity of the Presidency of Bengal and is a part of the tract known as *Rarh*. The area of the district is 1,742·92 square miles and the population according to the census of 1931 stands at 947,554. Of the area of 1,742·92 square miles, 1,669·50 square miles or 95·8 per cent. are covered by revenue paying estates, 37 square miles by revenue free estates, 9 square miles by public lands and 26 square miles by river beds or waste. The total number of raiyati interests recorded is 95,234, giving an average of 1·46 acres per holding. The total number of under-raiyats is 68,637.

3. The system of land tenure is simple compared with Eastern Bengal. Tenures cover only 14·43 per cent. and under-raiyat is only 2·2 per cent. of the total area of the district. The bulk of the land is held by raiyats directly under zamindars. The incidence of raiyati rent is Rs. 3-14-1 per acre against Rs. 3-15-5 in Midnapore and Rs. 1-12-7 in Bankura.

4. There are no pressing problems connected with payers of produce rents. 2,260 under-raiyats and 4,377 out of nearly 6 lakhs of raiyats pay a fixed quantity of produce as rent. 3,036 *bhugchasis* or *bargudars* have been recorded as raiyats and 2,068 as under-raiyats without right of occupancy. There is no indication that mahajans are buying up lands and having them cultivated under the half share of produce system, the evil which Mr. Robertson stressed in his final report on the Bankura operations. No statistics have, however, been collected of the lands cultivated by the so called "Krishans". They cultivate the lands for a third of the produce as their reward, but they never supply the seed, manure, cattle, or implements of labour. The system is reported to be popular with labourers of the cultivating class who have no capital. Some of them save enough to buy up land of their own. Good "Krishans" are much sought after.

5. As in the neighbouring district of Bankura, but to an even greater extent, Birbhum is suffering from the wholesale destruction of valuable forests. As a consequence the fertility of the soil has deteriorated and the tenants suffer from lack of firewood and of grazing for cattle.

The district is particularly liable to famine and scarcity, and to prevent periodic failure of crops, irrigation and re-afforestation schemes must be undertaken as far as funds permit. The needs of this and other such districts of West Bengal are receiving the careful and anxious attention of Government.

6. It is interesting to note that, though there were two periods of scarcity during recovery of settlement costs, the tenants paid more than 80 per cent. of their dues voluntarily. This was due to their eagerness to receive the maps and records and indicates the great value that is generally attached to the finally attested record-of-rights.

7. The operations have been completed in time, but the estimated expenditure has been slightly exceeded. The small excess has been due mainly to the inclusion of a larger area in the operations than was contemplated when the original estimate was framed, to the use of a superior quality of paper in printing the record-of-rights, and also to the increased rates of pay drawn by many officers. Some saving was, however, effected by employing sardar amins on *bujharat* in place of kanungoes.

8. Apart from its technical side, the report is of general interest. It deals with a great variety of subjects and contains some valuable recommendations

and suggestions, *e.g.*, for improving irrigation and for safeguarding the interests of the Sonthals. These recommendations are under the consideration of Government.

9. The Governor desires to express his appreciation of the labours of all officers who have carried out the operations to a successful conclusion. His thanks are specially due to Rai Bijay Behari Mukherji Bahadur for the able manner in which he conducted the operation and for his very interesting report.

Resolution of the Survey and Settlement Report for the year ending 30th September 1936.

GOVERNMENT OF BENGAL.

Revenue Department.

Land Revenue.

Calcutta, the 13th July 1937.

RESOLUTION—No. 3500L.R.

Read—

The Survey and Settlement Report for the year ending 30th September 1936.

The main traverse consisted of 1,184 square miles in the districts of Rangpur, Dinajpur and Howrah of which an area of 1,142 square miles was done by post-pointing and the remainder by the ordinary method. Minor traverse work was also done to the extent of an area of 135 square miles scattered over various districts in the province. In addition, the Survey Department did work of considerable value in comparative mapping, demarcation of boundaries and reproduction of maps. The total number of sheets printed was 11,062.

2. Major settlement operations were in progress in six districts and minor operations in twelve districts. The total area for which a record-of-rights has been completed is now 59,113 square miles out of 65,092 square miles to which the Bengal Tenancy Act applies.

3. During the year, major settlement operations were closed in the district of Malda. The closing stages have been reached in the districts of Burdwan and Hooghly. Operations were in full swing in the districts of Rangpur,

Dinajpur and Howrah. In spite of the fact that a large number of kanungoes had to be drafted from settlement to famine relief work, settlement officers were, by careful organization and working later in the field during the year, able to complete their programme. Satisfactory progress was also made in minor operations for re-settlement of land revenue of Government and temporarily-settled estates.

4. During the year under review the privilege of certificate procedure under section 158A of the Bengal Tenancy Act was granted to thirty-one private estates while five more applications for the concession were under the consideration of Government at the close of the year.

5. The popularity of the record-of-rights is increasing, and the district officers are unanimous in considering the maps and records to be of great value in every branch of the administration.

6. Mr. J. B. Kindersley, I.C.S., was in charge of the department till 14th January 1936 and then Rai Bijoy Bihari Mukherji Bahadur for the remaining period of the year. The Governor has much pleasure in acknowledging the efficiency and care with which the department of Survey and Settlement have been managed in the year under review. His Excellency is also pleased to direct that the good work done by the Survey Officer Major C. B. Sexton, the Settlement Officers Messrs. A. C. Hartley, A. B. Chatterji, R. W. Bastin, Rai Bijoy Bihari Mukherji Bahadur, Rai Romesh Chandra Sen Bahadur, Khan Bahadur Syed Moazzemuddin Hussain, Rai Sahib Hira Lal Sen and by other officers mentioned in the last paragraph of the report be recorded.

Order.—Ordered that the resolution be published in the *Calcutta Gazette*.

BEFORE THE COMMISSIONERS APPOINTED UNDER PARAGRAPH 4, PART III, GOVERNMENT OF INDIA (PROVINCIAL ELECTIONS) (CORRUPT PRACTICES AND ELECTION PETITIONS) ORDER, 1936.

NOTIFICATION.

Pursuant to the provisions of Rule 30 (2) of the Bengal Legislative Assembly and the Bengal Legislative Council Electoral (Election Expenses and Election Petitions) Rules, 1936, the following election petition presented under Rule 26 thereof is published for information.

G. D. McNAIR, *President.*

The 25th June 1937.

To HIS EXCELLENCY THE RIGHT HON'BLE SIR JOHN ANDERSON, P.C.,
G.C.B., G.C.I.E., Governor of Bengal.

In the matter of an election petition under Part III, Rule 3 (read with other rules of the said Part III) of the Government of India (Provincial Elections) (Corrupt Practices and Election Petitions) Order, 1936, read with Part III, Rules 26, 27 and 28 and others of the Bengal Legislative Assembly and the Bengal Legislative Council Electoral (Election Expenses and Election Petitions) Rules, 1936, of the Bengal Electoral Conduct of Elections Rules,

And

In the matter of Khan Bahadur Haji Badi Ahmad Chaudhury,
M.L.C., of Chittagong, petitioner,

versus

1. Ahmad Kabir Chaudhury, son of Md. Iatu Bahaddar of Rupkania, police-station Satkania, by caste Muhammadan, by profession Money-lender and Zamindar, district Chittagong, opposite party.

2. Maulvi Abdul Jalil, Pleader, son of Nasarat Ali, of Silaigara, Union No. 6 Barakhain, police-station Anwara, district Chittagong, by caste Muhammadan, by profession Pleader, Patiya Munsiff's Court, Chittagong, respondent (opposite party).

The humble petition of Khan Bahadur Haji Badi Ahmad Chaudhury, M.L.C., son of late M. Mazharannabi Chaudhury, of Bailchhari, police-station Banskhali, by caste Muhammadan, by profession Zamindar, district Chittagong.

Most respectfully sheweth:—

1. That Your Excellency's humble petitioner is the voter No. 227 of village Bailchhari, Union No. 6 Katharia Bailchhari, police-station Banskhali, district Chittagong, South Muhammadan Constituency.

2. That your petitioner was duly nominated as a candidate for a seat in the Bengal Legislative Assembly (Lower House) this time from the aforesaid Chittagong South Muhammadan Constituency.

3. That the rival candidates of Your Excellency's petitioner were opposite parties Nos. 1 and 2, mentioned above.

4. That the opposite party No. 1 is alleged to have the highest number of votes, that Your Excellency's petitioner obtained the second highest number of votes and that opposite party No. 2 obtained the lowest number of votes, and hence the opposite party No. 1 is alleged to have been returned, in the election, held on the 19th January and 21st January 1937.

5. That the notice under Rule 9 of the Bengal Legislative Assembly and the Bengal Legislative Council Electoral (Election Expenses and Election Petitions) Rules, 1936, and that the return of the election expenses of the opposite party No. 1 and the declarations made in respect thereof have been lodged with the Returning Officer, has been published in the *Calcutta Gazette* of the 18th March 1937, Part I, page 626.

6. That your petitioner begs to present this election petition against opposite party No. 1 calling in question the election of opposite party No. 1 on the grounds that the election has not been a free election and that the election is void, by reasons of a large number of cases in which under influence, undue influence, bribery and corrupt practices have been exercised and committed.

7. That Your Excellency's petitioner joins opposite party No. 2 as a respondent to his petition, as the petitioner in addition to calling in question the election of the returned candidate opposite party No. 1, claims a declaration that Your Excellency's petitioner has been duly elected.

8. That besides the general repute throughout the district that the opposite party No. 1 has bribed the voters and has thus got himself returned, the material facts upon which Your Excellency's petitioner relies are as stated below:—

(i) That the opposite party No. 1 offered bribe to your petitioner in writings through his agent and canvasser Sayed Samadal Hoque not

to stand as a candidate at the election in question. For this offence of bribery the District Magistrate, Chittagong, authorised the Court Inspector of Chittagong to start a prosecution against opposite party No. 1 and his canvasser Sayed Samadal Hoque under section 171-B, I. P. C., which is pending before S. D. O. (B), Chittagong.

(ii) That opposite party No. 1 himself and his agents and other persons with the connivance and sanction of opposite party No. 1 and his agents made and offered pecuniary gratifications to several voters, for inducing them to vote for opposite party No. 1.

(iii) That the opposite party No. 1 himself and his agents and other persons with the connivance and sanction of opposite party No. 1 and his agents gave out entertainments to voters for the purpose of inducing voters to vote for him.

(iv) That the opposite party No. 1 himself and his agents and other persons with the connivance and sanction of opposite party No. 1 and his agents exercised and attempted to exercise undue and under influence on voters to vote for him, in various ways and capacities, as a money-lender, decree-holder and threatened the voters (electors) with various sorts of injuries.

(v) That the opposite party No. 1 himself and through his agents and by other persons with the connivance and sanction of the opposite party No. 1 and his agents published false statements both orally and in writing and printing which they believed to be false and did not believe to be true in relation to the personal character and conduct of Your Excellency's petitioner and in relation to the candidature and withdrawal of this petitioner, which were calculated to prejudice the prospects of your petitioner's election.

(vi) That the opposite party No. 1 and his agents incurred and authorised expenditures and employment of persons, in contravention to Bengal Electoral Orders and other Laws.

(vii) That the opposite party No. 1 gave a false return in material particulars of election expenses.

(viii) That the opposite party No. 1 himself and through his agents induced and attempted to induce voters to believe that if they voted for your petitioner they would incur Divine displeasure.

(ix) That the opposite party No. 1 himself and his agents and other persons with the connivance and sanction of opposite party No. 1 and his agents issued circulars, placards and posters full of false statements regarding personal conduct and character of this petitioner having reference to the election which did not bear on its place the name and address of the printers and publishers thereof.

(x) That the opposite party No. 1 himself and his agents and other persons with the connivance and sanction of the opposite party No. 1 and his agents offered bribes in the colour of charities to several public institutions and public causes calculating to interfere with the free exercise of the electoral right of the electors.

(xi) That the opposite party No. 1 himself and his agents and others at their connivance and sanction raised rumours that he has made donations to public institutions and public causes calculating to induce voters to vote for him.

(xii) That the opposite party No. 1 offered bribe to the descendants of the Mirjarkhil Pir with a view to interfere with the free exercise of electoral right of the voters.

(xiii) That the opposite party No. 1 raised a rumour that he has made gifts to Mirjarkhil Pir family with a view to interfere with the free exercises of the electoral rights of the voters.

(xiv) That further, the result of the election has been materially affected by the improper acceptance of the nomination of opposite party No. 1 and opposite party respondent No. 2 and by reason of the fact that opposite parties who were nominated were not qualified.

(xv) That the result of the election has been materially affected by the improper receptions of votes and by reception of void votes.

(xvi) That the opposite party No. 1 himself and his agents and other persons with the connivance and sanction of opposite party No. 1 and his agents have procured and abetted and attempted to procure the application by persons for voting papers in the names of other persons, living and dead, and also in fictitious names.

(viii) That the opposite party No. 1 and his agents and other persons with the connivance and sanction of opposite party No. 1 and his agents have procured and abetted and attempted to procure the application by persons for voting papers in their own names when, by reason of the fact that they have already voted in the constituency in question, they are not entitled to vote.

(ix) That the opposite party No. 1 and his agents and other persons with connivance and sanction of opposite party No. 1 and his agents, in complete furtherance of their game of bribery, removed voting papers from the Polling Station during polling hours by many persons.

9. That Your Excellency's petitioner has set forth the full particulars of the corrupt practices materially alleged in this petition in the annexed list filed under sub-rule (2) of Rule 27, Part III of the Election Expenses and Election Petitions Rules, 1936, which forms a part of this petition.

10. That the election of opposite party No. 1 is hence void.

11. But for the votes obtained for opposite party No. 1 by corrupt practices mentioned above the petitioner would have obtained the majority of valid votes.

12. That, in fact, it is the petitioner who has received a majority of the valid votes and not opposite party No. 1.

13. That for these reasons, the petitioner is entitled to have declaration that the petitioner has been duly elected, and the petitioner hereby claims a declaration that the petitioner has been duly elected.

14. That Your Excellency's humble petitioner joins opposite party No. 2 as a respondent to his petition.

15. That most of the votes obtained by respondent opposite party No. 2 are also secured by under influence, undue influence, bribery, and all sorts of corrupt practices. In fact the valid votes obtained by opposite party No. 2 are also far below what the said opposite party respondent is alleged to have obtained.

16. That opposite party No. 1 who is only a moneyed man and the only son of his rich father could never have secured valid votes had there not been corrupt practices, undue influence, etc.

17. That in fact, this humble petitioner of Your Excellency has been duly elected by valid votes.

Under the aforesaid circumstances Your Excellency's humble petitioner most humbly prays to your Gracious Excellency that Your Excellency would be gracious enough by the exercise of Your Gracious Excellency's individual judgment to appoint Commissioners for the trial of the petition,

And, to issue after the report of the Commissioners, necessary orders.

Or to pass such other order or orders as to Your Excellency seem fit and proper.

And for this act of kindness your petitioner shall, in duty bound, ever pray.

Verification.

I, Khan Bahadur Haji Badi Ahmad Chaudhury, verify that the facts stated above in the petition are true to my knowledge and in pursuance whereof I sign this verification in the Chittagong Sadar Court premises at the hour of 11 o'clock on this 25th day of the month of March of the Year nineteen hundred and thirty-seven of Lord Christ.

List filed under the Bengal Legislative Assembly and the Bengal Legislative Council Electoral (Election Expenses and Election Petitions) Rules, 1936, Part III, Rule 27, sub-rule (2), setting forth full particulars of corrupt practices alleged by the petitioner in the petition.

Material allegations—

Paragraph in petition.—8(i).

Allegation.—Offering bribe to petitioner not to stand.

Full particulars.

The opposite party No. 1 from his residence at Satkania, within the constituency in question, wrote a letter to one Sayed Samadal Hoque of Chechuria, police-station Banshkhali, district Chittagong, the then Secretary, Chechuria Bailchhari Palli Mangal Samity, on 12th September 1936, requesting him to induce your petitioner not to stand for the election in question and offered money for the same to your petitioner. Sayed Samadal Hoque forwarded the letter of opposite party No. 1 to your petitioner on 13th September 1936, at Chandanpura, Chittagong. Your petitioner had already lodged a complaint to the learned District Magistrate Mr. A. Whittaker, I.C.S., of Chittagong and the learned District Magistrate of Chittagong issued notice to opposite party No. 1 and Samadal Hoque to show cause why they should not be prosecuted for committing offences under section 171C of I. P. C. The learned District Magistrate was not satisfied with the cause shown by the opposite party No. 1 and Samadal Hoque and observed in his order, dated 25th January 1937—

“after examining the letters I have come to conclusion that this is a case which should go to trial”

and passed the following order:—

“By virtue of the notification of the Government of India in the Home Department (Public) No. F. 39/2/35, dated Simla, 20th August 1936, the District Magistrate is empowered to sanction prosecution in respect of offences punishable under section 171 D.E.H.F.”

“I, therefore, authorise the Court Inspector to make a complaint against the said Mr. A. K. Chaudhury and Mr. Syed Samadal Hoque under section 171B read with section 109/511, I. P. C. The complaint should be made before the Subdivisional Magistrate (B). Mr. A. K. Chaudhury and Samadal Hoque will remain on P. R. of Rs. 1,000 each to appear when called upon.” (Enclosure marked ‘A’.)

Material allegations—

Paragraph in petition.—8(ii).

Allegation.—Making and offering pecuniary gifts.

Full particulars.

(1) That the manner in which opposite party No. 1 made pecuniary gifts and offered bribes to purchase votes was public. In each polling station the opposite party No. 1 kept one of his agents with cash money. Canvassers were appointed to induce voters to purchase votes for opposite party No. 1. Voters who could be induced by the canvassers to vote for the opposite party No. 1 were seen in groups along with the canvassers and to take money from the man in charge of cash. Seeing all the things your petitioner on 20th January 1937 sent a telegraphic message to the District Magistrate of Chittagong “Special care solicited. Ahamad Kabir purchasing votes adopting corrupt practices, polling unfair—Khan Bahadur Badiahmad.” That on 21st January 1937 Mr. Hyde, Additional District Magistrate, came to the Banigram polling and as soon as he came Abdul Salam Kerani of Sukuria, police-station Banshkhali, the man in charge of opposite party No. 1's cash at Banigram fled away but left behind the seat which he spread, and on the seat Mr. Hyde found some torn cards with the picture of an umbrella which was the symbol of your petitioner. That there, several

and others.

(2) That on 19th January 1937 Major G. L. Hyde, Additional District Magistrate in polling station Kauchana found many people standing in groups and on enquiry from Babu Kamini Kumar Ghosh, M.A., B.L., Maulvi Abdul Waheed, Babu Rakhahari Chatterji, K.T., Satkania, Maulvi Jalal Ahmad and others came to know that they were waiting for money and the opposite party No. 1 was purchasing votes from them by money. (2) Place—Throughout the whole of South Muhammadan Constituency, Chittagong.

Full particulars.

(1) Annexure marked 'B' circulated by opposite party No. 1 himself, and his Election Agent and Polling Agents and his Agents contain the following which was calculated to exercise undue influence:—

আমি এই বাবৎ সার্টিফিকেটের ক্ষমতা নাই নাই কিম্বা স্টেট কোর্ট অব ওয়ার্ডসের শাসনাধীনে সমর্পণ করি নাই এবং ভবিষ্যতেও করিব না।

"As yet, I have not taken Certificate Power and have not placed my estate to the Court of Wards. In future too I shall not do the same."

(2) Annexures marked 'C' and 'D', circulated by opposite party Nos. 1 and 2 themselves and Election Agent of opposite party No. 1, Haji Sultan Ahmed Chaudhury, Zamindar, Rupkania, police-station Satkania and Agents of opposite party No. 1 Malihul Alam Chaudhury, of Mirjur Khil, police-station Satkania, Abdul Adud Chaudhury, Zamindar of Mallick Choang, police-station Satkania, Soleman Ahmad Chaudhury, Zamindar, Bazalia, police-station Satkania, Maulvi Shirajul Islam Chaudhury, B.A., President of Khaguria, police-station Satkania, and Mohammad Hafez Ahmad, M.A., B.L., and others and Agent of opposite party No. 2 Maulvi Muhammad Ibrahim, Pleader, Sheikh Muhammad Wajid Ali Chaudhury, Zamindar, Mazharul Hoque, B.A., B.L., and others contain the following, which was calculated to exercise undue influence:—

(1) "কটোয়াক্ত লাল বহি ভিত্তিহীন ও ভরানক আপত্তিজনক। খান বাহাদুর হাজি বদি আহমদ চৌধুরী কাউন্সিলের মেম্বর পদপ্রার্থী হইরা নিজের কটো দিয়া.....লাল বহি প্রচার করিয়াছেন উহাতে সত্যের অপচর করিয়া সর্বসাধারণকে ধুকা দিয়া যে ভাবে ভোট সংগ্রহ করিতে চেষ্টা পাইতেছেন.....!"

(2) "হাৰি ও নক্সা দেওরা মুসলমানের গছে হারাম। খান বাহাদুর বদি আহমদ চৌধুরী দুইবার হজ করিয়া হাজি নামে পরিচিত হইরাও নিজের কটো প্রকাশ করিয়া কিরূপে এইরূপ হারাম কাজ করিলেন, তাহা কি মুসলমান ভোটারগণ জিজ্ঞাসা করিবেন? তিনি কি আমাদের প্রতিনিধি হইরা ইচ্ছামের মৰ্যাদা রক্ষা করিবেন? যিনি নিজের নক্সা দিয়া হারাম কাজ করিতে লিখা বোঝ করেন নাই, তাহারকে ভোট দেওয়ার জন্য কিরূপে তাহার সমর্থক মৌজানা হাছেবলগ ভোটারদিগকে ক্যানভাস করিতেছেন?"

(3) "জেহাদ করা প্রত্যেক মুসলমানের করজ।"

(i) Red Book with photo—Baseless and highly objectionable.

Khan Bahadur Haji Badi Ahmad Chaudhury seeking election for membership of Council and having published the red book with his (Khan Bahadur's) photo, has been trying to procure votes by distorting truth and by bluffing the public.

(ii) It is (Haram) a sin for Muhammadan to give picture or Naksha. Will the Muhammadan voters ask Khan Bahadur Badi Ahmad Chaudhury—How could he have committed this sinful act, by having published his photo, though being known as Haji, after having performed Haj twice? Will he, as our representative, maintain the prestige of Islam?

How the Maulana Shahebs, supporters of Haji Badi Ahmad, are canvassing votes for him, who has committed sin by publishing his own picture (Naksha)?

(iii) To enter into Crusade (Jehad) is bounden duty of every Muhamadan.

By these publications, opposite party No. 1 and others interfered with the exercise of the electoral right of the petitioner and the voters, by inducing and attempting to induce the petitioner and the voters to believe that they will become or will be rendered an object of Divine displeasure and spiritual censures, and to excite the voters for entering into Crusade (the annexures will speak for themselves).

Publication of half-picture of oneself is no sin. Greatest and famous and perfectly religious minded Moulanas and Moulvies, Rajas, Kings, Nawabs such as Maulana Abul Kalam Ajad Shaheb, Maulvi Akram Khan Shaheb, Mr. A. K. Fazlul Hoque, Sir Nazimuddin, Ibn-a-Saud, King of Arab, and all others have their photos and pictures published.

But opposite party No. 1 and his Agents and others at his connivance and sanction, made these malicious and false publication, only to excite the voters to fanaticism, for the purpose of inducing them, by unduly influencing them, not to vote for the petitioner and to vote for opposite party No. 1.

This sort of false and malicious propaganda, calling upon Mussalmans to enter into Jehad, adopted by opposite party No. 1 and his people, is and was imminently dangerous to this petitioner and his Agents, as in past within recent memories such sort of propaganda regarding publication of pictures being sin and the same being object of Divine displeasure and spiritual censures in Islam, has been the cause of murders and other atrocities and danger to safety. The enclosures 'C' and 'D' though couched in cunning language, to avoid legal responsibilities, yet the true meaning is obvious.

(3) Annexures 'E' and 'F' would show that the opposite party No. 1 and his Agents and others at his connivance manoeuvred a spiritual conference, and styled it as 'Olama' Conference and exercised undue influence on the voters to vote for opposite party No. 1, by publishing that the said Spiritual Conference had directed to vote for opposite party No. 1. This was wilfully done by opposite party No. 1 and his Agent and others with their connivance and sanction and they have interfered with the exercise of the free will of the voters by indirect pressure. In the said Spiritual Ulama Conference at Satkania Station at the High School compound on 14th November 1936, this petitioner and the President Maulana Sayed Abdul Hamid Bagdadi, Alkaderi, the President of the said Conference, joined it, thinking that it was an out and out spiritual conference unconnected with the election affairs. Annexure 'F,' notice of the conference, also specially mentioned it. But in the meeting, with the permission of the President, this petitioner stood to address the meeting. But for interference of Malihal Alam Chaudhury and others, Agents of opposite party No. 1, this petitioner could not proceed. Thereupon, the President took exception to that, but the opposite party No. 1 and his Agents and canvassers did not listen to him. So the President and the petitioner with others walked out of the meeting and the meeting was dispersed. But the opposite party No. 1 and his Agents and his canvassers have falsely circulated that a resolution was passed for voting for opposite party No. 1 in the so-called Ulama Conference by annexure 'E,' by including the names of some gentlemen without their knowledge and consent: such as Akamat Ali Chaudhury, Shaha Mahafezor Rahaman Chaudhury, Maulvi Abdul Hakim Chaudhury and others. The opposite party No. 1 has taken to grossest possible corrupt practices, by thus falsely convening an election meeting in the garb of a spiritual meeting and then again falsely inducing the voters to believe that a spiritual conference has directed the voters to vote for opposite party No. 1.

(4) Ahmad Kabir Chaudhury and his men threatened the following persons that if they do not vote for him, he will institute rent suit and suits on pronotes and bonds against them and cause attachment of their properties and their arrest.

Material allegations—*Paragraph in petition—8(v).*

Allegation—That opposite party No. 1 himself and through his Agents and others at his connivance published false statements which he believed to be false and did not believe to be true in relation to the personal character and conduct of your petitioner and in relation to the candidature and withdrawal of this petitioner which was calculated to prejudice the prospects of your petitioner's election.

Opposite Party No. 1 Ahmad Kabir Chaudhury.

Time and place.	The connected documents.	Full statements (with detail).
November 1936, December 1936 and January 1937. Throughout the whole constituency.	Annexure 'B' published by Ahmad Kabir Chaudhury himself.	<p>(A) “কোন কোন স্বার্থান্বেষী লোক নানারূপ হুঁসাতুরী অবজ্ঞান ও ভিত্তিহীন গুণ-গরিমা প্রদর্শন ও অসম্ভাবিত প্রতিশ্রুতিনামের সঙ্গে সঙ্গে আমার বিরুদ্ধে বহু মিথ্যা কল্যাণ রটনা করিতেছেন বলিয়া শুনিতোছি। ছোট আদার করার জন্য এবম্বিধ হীনসম্মান আশ্রয় গ্রহণ করা আমি কিছুতেই সন্মত নই।”</p> <p>(A) Some self-seeking persons having taken recourse to various sorts of deceitful means and tricks and by display of baseless acquisitions and pride and with offer of highly impossible promises..... is circulating false scandals against me, so I hear. Time and place.	The connected documents.	Full statements (with detail).
		<p>All the above are absolutely false, and knowingly false, and opposite party No. 1 believed them to be false and were published by the opposite party No. 1 and his Agents and others at their connivance, in relation to the personal conduct and character of this petitioner and in relation to the candidature of this petitioner, only to prejudice the prospects of the petitioner's election. There was every chance of election of the petitioner, had the opposite party No. 1 and his people not taken recourse to such illegal and mean tactics. This petitioner is and was never a self-seeking person, nor had he ever taken recourse to any deceitful means and tricks, nor did the petitioner display any baseless acquisitions and pride, nor did he circulate any false scandals against anybody, nor did the petitioner ever take recourse to mean and heinous ways for securing votes. These have prejudiced this petitioner's prospects of election to a great deal.</p>

B. Railway Advisory Board, moved for the said concession Orash return in open meeting and had it carried. The railway proceedings will bear it out. The very Railway Inspector Maulvi Fazal Karim Chaudhury would testify to the truth of the facts. But the opposite parties and their Agents and canvassers falsely circulated that this petitioner had done nothing for the said concession, for the purpose of prejudicing the prospects of the petitioner, which has in fact, prejudiced.</p> <p>(B) (ii) "খান বাহাদুর বদি আহমদ গত সাত বৎসর কাজ দেশের উপর নানা রকম টেক্স হওয়া ও অন্যান্য বিষয়ে প্রায় দেশের বিরুদ্ধে ভোট দিয়াছেন।"</p> <p>(B)(ii) "Khan Bahadur Badi Ahmad during the last seven years has voted against the interest of the country, in various sorts of taxations and other matters."</p> <p>This is false and circulated to prejudice the prospects of this petitioner.</p> <p>(B)(iii) There are many other such false statements in annexures 'B', 'C', 'D', 'E', 'G', 'H', 'I', 'J', 'K'.</p>

The provisions of section 85 of the Government of India Act are absolutely contrary to what was circulated and published. Further, it is not at all true that the petitioner is not in the know of English language, and that opposite party No. 1 is highly educated in English. This petitioner though cannot write English very well, yet this petitioner understands English writings and speaking. Further, that the circulations urging voters to vote for candidates highly educated, having good moral character, etc., indirectly made false statements that the petitioner is otherwise. These false statements were intended to prejudice and have, in fact, prejudiced the petitioner in his election.</p> <p>(D) Besides these, opposite party No. 1 and his Agents and his canvassers have, in various places, published orally many false statements, which have prejudiced this petitioner's election.</p>

4. The 25th January 1937.—Mr. A. K. Chowdhury and Mr. Samadul Huque are present. The former files another petition accusing the complainant of concocting the letters which form the subject of the original petition of Khan Bahadur Haji Ahmed Chowdhury.

After examining the letters I have come to the conclusion that this is a case which should go to trial.

সাতকানিরা, বাঁশখালী ও আনোয়ারা থানার ভোটারগণের প্রতি নিবেদন।

জনাব,

আজ্ঞাহামু আজ্ঞারকুম্।

আপনারা অবগত আছেন যে আগামী ১লা এপ্রিল হইতে শাসন সংস্কার প্রবর্তিত হইবে। ব্যবস্থা পরিবর্তন বা জেলিসভেটিভ এসেমব্লী ইহার প্রধান অঙ্গ হইবে। আগামী জানুয়ারী মাসেই বেঙ্গল জেলিসভেটিভ এসেমব্লীতে সাতকানিরা, বাঁশখালী ও আনোয়ারা থানার মোছলমান নির্বাচক কেন্দ্র হইতে একজন সদস্য নির্বাচিত হইবেন। আমার বহু বন্ধু-বান্ধব এবং সাতকানিরা বাঁশখালী ও আনোয়ারা থানার বহু বিশিষ্ট উন্নয়নকারী অনুরোধে একমাত্র দেশের ও দেশের সেবা করার বাসনার খোদার ফজলে আমি উক্ত পদের জন্য নির্বাচন প্রার্থী হইয়াছি। কোন কোন স্বার্থান্বেষী লোক নানারূপ হুঁচুতুরী অবলম্বন ও ভিত্তিহীন গুণগরিমা প্রদর্শন এবং অসম্ভাবিত প্রতিশ্রুতিদানের স্বেচ্ছা স্বেচ্ছা আমার বিরুদ্ধে বহু মিথ্যা-বাদ্যম রটনা করিতেছেন বলিয়া শুনিতোছি। ভোট আদায় করার জন্য এবলম্ব হীন পন্থার আশ্রয় গ্রহণ করা আমি কিছুতেই সমীচীন বলিয়া মনে করি না।

আমি সমাজের, দেশের ও দেশের মঙ্গলের জন্য, পল্লীর শিখা ও স্বাস্থ্যোন্নতির অভিপ্রায়ে কটটুকু আর্থিক ত্যাগ ও শারীরিক শ্রম স্বীকার করিয়াছি এবং করিতেছি তাহা প্রকাশ করতঃ স্বকীর ও ব্যক্তিগত গুণাপূর্ণ বর্ণনার দৃষ্টতা প্রদর্শন করিতে ইচ্ছা করি না। আপনারা অবশ্যই ক্রমে আমার কার্য-কলাপের সচিৎ স্মরণচিত হইতে পারিবেন বলিয়া আমার আশা আছে।

জমিদার তনয় হইলেও আমি কোন রকম উচ্ছৃঙ্খলতা বিলাস-ব্যসন কিম্বা প্রজাবৃন্দের প্রতি জোড়-জুজুমের প্রশ্রয় প্রদান করি নাই। প্রজা সূত্রে না থাকিলে জমিদারের শাস্তিও নষ্ট হয় বলিয়া প্রজার আর্থিক অসচ্ছল অবস্থার প্রতি দৃষ্টি করিয়া আমি এই যাবত সার্টিফিকেটের ক্ষমতা লই নাই কিম্বা এন্টেন্ট কোর্ট-অব-ওয়ার্ডসের শাসনাধীনে সমর্পণ করি নাই, এবং ভবিষ্যতেও তাহা করিব না। গত জল জ্বাবনের সময় বিপন্ন অঞ্চলের প্রজাদের খাজানা তামাদী হওয়া সত্ত্বেও কোন নাগিশ করি নাই বা ডিক্রী জারীতে দিই নাই। তদুপরি ইহাতে আমার আর্থিক সাহায্যের খবরও আপনারা বোধ করি অবগত আছেন। ইহা অতি সত্য কথা যে আমার এন্টেন্টের প্রজাবৃন্দ অপরাপর এন্টেন্টের প্রজাগণ হইতে নানাদিকে অধিকতর সূত্রে শাস্তিতে আছে।

সমাজ ও দেশ সেবার অধিকতর সুযোগ লাভ করিতে পারিব বলিয়া আশা করিয়াই আমি খোদার রাহামত ও আপনাদের অনুগ্রহ এবং সহানুভূতির উপর সম্পূর্ণরূপে নির্ভর করিয়া নির্বাচন প্রার্থী হইয়াছি। আমি আপনাদিগকে এই প্রতিশ্রুতি দিতেছি যে আইন সভার প্রবেশ করিতে পারিলে আমি জাতির ও দেশের এবং কৃষক প্রজা সাধারণের হিত সাধনে সর্বদা সচেষ্ট থাকিব।

অতএব আমার একান্ত অনুরোধ যে আপনারা অনুগ্রহপূর্বক আমাকে আপনাদের ভোট প্রদান করিয়া সরকার ও বাহিত করিবেন। ইতি—

উক্ত বিধির ৫৮ পৃষ্ঠার দেখা যায়, তিনি ঐ বিষয়ের জন্য কোনই প্রস্তাব কাউন্সিলে দেন নাই।
উক্ত ছুটী উছার বন্ধ পূর্বের মজুর হইয়াছে এবং ঐ ভাবে সমস্ত মুসলমান অক্সিলারপশ ভোগ করিয়া

বন্ধিৰূপ বন্ধ থাকে শিক্ষা বিভাগে ঐ রূপ নিয়ম আছে কি না?

গভর্ণমেন্ট পক্ষ হইতে এডুকেশন মিনিষ্টার অনারেবল খান বাহাদুর আজিজুল হক হাযেব উক্তর
দিয়াছেন হ্যাঁ, ছুটী আছে, এইরূপ প্রশ্ন উত্থাপনের কোন কারণ নাই (does not arise)
কাঃ প্রঃ ৪৫ বাঃ ১—পৃঃ ৫৮।

২। আরকান রাস্তার জন্য ৫,০০,০০০ টাকা মজুর।

তিনি লিখিয়াছেন রোড বোর্ডের মেম্বর থাকিয়া উক্ত টাকা মজুর করাইয়াছেন এবং উহা আরকান

টাকা না দিয়া তাহার নিজের রাস্তার টাকা দেওয়ার জন্য তিনি যথেষ্ট চেষ্টা করিয়াছিলেন কিন্তু
পারেন নাই।

৩। ঘেট কমান।

৩। তিনি লিখিয়াছেন শতকরা ২০ টাকা হইতে ১০ টাকা ঘেট কমাইয়াছেন। বোঝ করি সমস্ত
লোকের জানে যে ঘেট পূর্বের ন্যায় আছে, মাত্র ১৯০০।০৪ ইং ১ বৎসরের জন্য গভর্ণমেন্ট ও
ডিপ্লীট বোর্ড শতকরা ১২½ হারে ঘেট কমাইয়াছিলেন। এখন পুনরায় সাবেক মত আদায়

(১৯৩৫ ইং হজ রিপোর্ট বহি)

১৯৩৫ ইং কলিকাতার হজ কমিটির রিপোর্ট দৃষ্টে দেখা যায় খান বাহাদুর হাজি হাছেব কমিটির মনোনীত বা নিৰ্বাচিত মেম্বর নছেন। মাত্র co-opted মাত্র। খান বাহাদুর এম. এ. মোমেন, সি. আই. ই.; এম. এম. সি. উক্ত কমিটির চেয়ারম্যান এবং মিঃ আমিন আহমদ, এম. এ. (বারিষ্টার), ভাইস-চেয়ারম্যান তা ছাড়া কলিকাতা পুলিশের ডেপুটী কমিশনার ও বাঙ্গালার অনেক প্রধান প্রধান মুসলমান উপযুক্ত ও উক্ত শিক্ষিত নেতা মেম্বর আছেন। উক্ত বহির ২য় পৃষ্ঠার ৭২(সি) প্রস্তাব দৃষ্টে দেখা যায় হজ কমিটী মাত্র আমাদের ব্রিটিশ গভর্ণমেন্টের নিকট অনুরোধ করিয়াছেন বাহাতে আমাদের গভর্ণমেন্ট হেজাজ গভর্ণমেন্টকে অনুরোধ করে ভারতের হজযাত্রীগণকে জিম্মা হইতে মুক্তাশরীক ও জিম্মা হইতে মদিনা শরীফের শটরভাড়া কিছু কমান্বিয়া দেয়। কিন্তু উক্ত বহিতে খান বাহাদুর হাজি হাছেব কোন প্রস্তাব করিয়াছেন বা উক্ত প্রস্তাব মতে কোন কাজ হওয়া উল্লেখ নাই। উক্ত রিপোর্ট বহি ১৯৩৬ ইং সনে ছাপা হইয়াছে এবং বাহা বাহা করা হইয়াছে সমস্ত উল্লেখ আছে; কিন্তু হজকমিটির চেণ্ডার হেজাজে খরচ কম হওয়ার কোন কথা উল্লেখ নাই। যদি বাস্তবিক উহা ঠিক হইত তাহা হইলে সর্বপ্রথম ঐ রিপোর্টে উহার উল্লেখ থাকিত।

খান বাহাদুর হাজি বদি আহমদ চৌধুরীর ভিত্তিহীন দাবী।

বিভিন্ন সংবাদ পত্রিকার অভিমত সংকলিত।

দক্ষিণ চট্টগ্রামের মোহলম্যান কেন্দ্রের কাউন্সিলের অন্যতম নির্বাচিতপ্রার্থী খান বাহাদুর হাজী বদি আহমদ চৌধুরী হাছেব ভোটারপণের নিকট ভাষার স্বনামে ও বিনামে পরোক্ষ বা প্রত্যক্ষভাবে যতদূর প্রচারণা বাহির করিয়াছেন তাহার প্রায় প্রত্যেকটাকেই “তিনি আরব গভর্ণমেন্টের বিরুদ্ধে আন্দোলন করিয়া হাজীগণের খরচ শতকরা ২৫ টাকা কমাইয়া দিয়াছেন” বলিয়া প্রচার করিতেছেন দেখিয়া আমরা আশ্চর্যান্বিত হইয়া গেলাম। কারণ গত বৎসর হাজী হাছেব স্বদেশে প্রত্যাবর্তন করিয়া বিবৃতিদানের প্রায় ৬ মাস পূর্বে আরব গভর্ণমেন্ট হেজাজ পার্লামেন্টের সম্মতিক্রমে হাজী হাছেবপণের প্রতি সদর হইয়া ১০৫০ হিজরীর ১০ই জেজহজ্জের তারিখে ঘোষণা করেন যে, “আগামী বৎসর হইতে হজ্জবাসীর পূর্ণ ও রওজা মোবারকের জেরারচেহুপণের সকল প্রকার টেন, উট ও মটর ভাড়া হইতে এক-চতুর্থাংশ রেহাই দেওয়া হইবে।” হেজাজ গভর্ণমেন্টের ঘোষণা ও হিন্দুস্থানের বিখ্যাত আলোম মোজানাব আবদুল হামী হাছেবের বিবৃতিতে ১৯৩৫ ইং সনের ২৮শে এপ্রিলের ও ১৯৩৫ সালের ১০ই মে তারিখের সত্যবাহ্তী পাঠে ইহা জানিতে পারিয়াছি। অথচ সন্তান নাম কিনিবার বাসনার প্রায় দুইমাস পরে জনাব হাজী হাছেব বাঙ্গালার মেদে বসিয়া বাঙ্গালার ভাষায় সংবাদপত্রে এক প্রস্তাব দিয়া বসিলেন যে, হাজীগণের খরচ তিনভাগের একভাগ কমাইয়া দেওয়া হউক। সঙ্গে সঙ্গে এমন মারাত্মক কথা বলিয়া ফেলিলেন যাহার ফলে তাহার বিরুদ্ধে সমগ্র মোহলম্যানবর্গ ধল হস্ত হইয়া সংবাদপত্রে প্রবন্ধাদি লিখিতে লাগিলেন; যাহার ঠোকার আশ্রয় হইয়া হাজী হাছেব ঘরের ঘরে ফিরিয়া আর টু শব্দ করিতে সাহসী হইলেন না সর্বসাধারণ উদ্ভাবনীর অবগতির জন্য, উক্ত মারাত্মক বিবরণ সম্বন্ধে হাজী হাছেবের কীর্তি ও সংবাদপত্রের ২।১৩টী মাস নতুনা এ স্থলে উল্লেখ করিয়া দিলাম:—

১। “জনাব হাজী বদি আহমদ চৌধুরী, এম, এল, সি, এই বিবৃতিতে হেজাজ গভর্ণমেন্টের বিরুদ্ধে করেকটা তীক্ষ্ণ মন্তব্য প্রকাশ করিয়াছেন। আমাদের মতে ভাষার সকল মন্তব্য সমর্থনযোগ্য নয়। তিনি প্রস্তাব করিয়াছেন, এক-চতুর্থাংশ খরচ কমাইয়া দিতে এবং অবশিষ্ট দুই-চতুর্থাংশ বাসীদের সুবিধা বিধান ও নানা স্থানের সংস্কারের জন্য ব্যয় করিতে—বেশ কথা। কিন্তু বর্তমানে পার্বত্য পথ নিৰ্ম্মাণ ও জল সরবরাহ ইত্যাদি ব্যতীতে কি পরিমাণ অর্থ ব্যয় হয় তাহার কোন হিসাব তিনি দেন নাই। অবস্থান্তর ব্যক্তির জ্ঞানেন যে, নজদের রাজকোষে সঞ্চিত বহুধন সম্পদ বরতুলাহ ও যদিলাতুর রহুনের হেজাজন্তের জন্য ইবনে-হউদ নিঃসঙ্কোচে ব্যয় করিয়া ফেলিয়াছেন। অথচ হাজী হাছেব বলিতেছেন যে, ‘তিনি হাজীগণের রক্ত শোষণ করিয়া নজদের ধন-ভান্ডার পূর্ণ করিতেছেন।’ হাজী হাছেবের বিবৃতিতে আরও সর্বনাশী প্রস্তাব আছে। বিবৃতির ৭ম দফার শেষভাগে তিনি ইংরেজ ও অপর অপর গভর্ণমেন্টকে যেভাবে আক্রমণ করিয়াছেন, তাহা শুবু এহলমের বিধান ও আচর্য-সম্মানের ঘোর বিরোধী ও মারাত্মক।”

(মোহম্মদী পত্রিকা, ১০ই মে ১৯৩৫ ইং)

২। “হাজী বদি আহমদ, এম, এল, সি, হাছেব সরকারী খরচার দোবারা হজ্জের ভ্রম সম্পাদন করিয়া ফিরিয়া আসিয়া ইবনে-হউদের বিরুদ্ধে যে হজাহল উপদ্রব করিয়াছেন তাহাতে হাজী হাছেবেবু নিকট হাজাহলীর চরম নিদর্শন দেখিয়া আমরা বিস্মিত হইলাম। গভর্ণমেন্ট বদি হাজীদের কল্যাণার্থে কোন অকিসার হজ্জের সময় পাঠাইতে ইচ্ছা করেন তবে আরবী, উর্দু ও ইংরেজী ভাষার ব্যাপস কোন পরহেজগার আলোচক পাঠাইলে ভাল হয়, কিন্তু আরবী ভাষার অধিকার নাই এরূপ মোক পাঠাইয়া মোহলম্যান সমাজকে উপহাস্যাল্পদ করিবার অধিকার সরকারের নাই। বিদেশী গভর্ণমেন্ট সমূহকে নিজ নিজ রাজ্যভুক্ত হাজীদের অভাব অভিযোগ দূর করিবার অধিকার হেজাজের শাসন ব্যাপারে হস্তক্ষেপ করিবার বে ইচ্ছিত হাজী হাছেব করিয়াছেন তাহা সবচেয়ে মারাত্মক। মোহলম্যান! তোমরা সাবধান হও, নতুবা সমূহ অতির সম্ভাবনা। নিজের প্রতিনিধিকে চিনিরা রাখ।”

(সত্যবাহ্তী পত্রিকা, ২০শে মে ১৯৩৫ ইং)

উপরোক্ত মন্তব্য হইতে আপনারা জানিতে পারিতেছেন যে, জনাব খান বাহাদুর হাছেব কি সাংঘাতিক কাজ করিয়া পবিত্র এহলমের চম্বা হোজতান ইবনে-হউদের সর্বনাশ চাহিয়াছিলেন। অথচ তাহাই

আজ আবার নিজের বাহাদুরী বলিয়া প্রচার করিতে অজিত হইতেছেন না। সেই ইবনে-হউনের সম্বন্ধে তিনি হুজ্জতপূর্ণ বক্তব্য করিয়াছেন তাহার সম্বন্ধে ভারতের বড় বড় ওলামগণ কি বলেন একবার শুনুন। ভারতের অন্যতম প্রেষ্ঠ জমৈক বিশেষজ্ঞ আল্লাম হাযেব এক বিবৃতিতে বলিয়াছেন, “হুজ্জতান ইবনে-হউন এহল্যামের কৈশ্বর্যমি বরতুলা শরিফের উম্মতি ও আবাদীর জন্য বেরুস স্বাধীনত্যাগ ও প্রদ-স্বীকার করিতেছেন, তাহাতে তাহাকে আধুনিক জগতের প্রেষ্ঠতম মোহলমান বলা হইতে পারে। তিনি এহল্যামের যৌগিকতা রক্ষা ও নষ্ট দোরব শুন্য জাতির নিমিত্ত বেরুস আমল স্থাপন করিয়াছেন তাহা অনুকরণ করিলে এহল্যাম আবার পৃথিবীর প্রেষ্ঠতম আসন অধিকার করিতে পারিবে। তাহার সূচাসনে বেদুইনদিগের অভ্যাচার এবং পঙ্গুদিগের উপদ্রব প্রণামিত হইয়াছে। তাহার উম্মতি ও দীর্ঘ-জীবন কামনা করা প্রত্যেক মোহলমানের পক্ষে করজ বা অবশ্য কর্তব্য।” কিন্তু বড়ই দুঃখ ও গরিবতার বিষয় যে, জনাব হাজী হাযেব এহেন স্বপ্নের মস্তকে কুঠারাঘাত করিয়াও মোহলমানের নিকট ভোট ভিক্ষা করিতে সাহসী হইতেছেন। আমাদের বিশ্বাস মোহলমান সমাজের প্রত্যেক কেন্দ্র পালী হইতে ইহার প্রতিবাদস্বরূপ হাজী হাযেবকে স্পষ্টাক্ষরে জানাইয়া দেওয়া হইবে যে, “আমরা আমাদের প্রতিনিধিকে আমাদের কলিজার উপর ভলওয়ার ঢালাইবার অধিকার কোনকালেই দিই নাই এবং ভবিষ্যতেও দিতে প্রস্তুত নই।” ইতি—

দীনদার মোহাম্মদ হাইগণের প্রতি নিবেদন করিয়া আপনি বেই নোটীশ জারি করিয়াছেন উহা পাঠ করিয়া আশ্চর্য হইলাম। আপনি প্রকৃত খবর না রাখিয়া, বাহা তাহা কথা মুসলমান হাইগণের নিকট প্রচার করা উচিত হয় নাই। আপনি লিখিয়াছেন, খাঁ বাহাদুর হাজি বদি আহমদ চৌধুরী রিপোর্ট করাতে হেজাজ গভর্ণমেন্ট হাজিগণের খরচ কমাইয়া দিয়াছেন। খাঁ বাহাদুর হাজি সাহেব ১৯০৫ ইং সনে হজ কমিটির খরচার হজে হান সেই সময় হিন্দুস্থানের অন্যতম আলেম মোলানা আবদুল হাদি সাহেবও হজ করিতে গিয়াছিলেন। ১৯০৫ সনের ২৪শে মে শুব্বারের “সত্যবার্তা” পত্রিকার দেখা যায়, আপনার খাঁ বাহাদুর সাহেব হজ হইতে আসিয়া “মোহাম্মদী” পত্রিকা বোপে চণ্ডহার হজের বিবৃতি প্রদান করেন এবং সেই বিবৃতিতে আমাদের মজা ও যদিনা শরিকের মুসলমান বাঙ্গালা ইবনে হোদের বিরুদ্ধে যথাসাধ্য লিখিয়াছেন অথচ সেই সনের ১০ই মে শুব্বার “সত্যবার্তা” পত্রিকার মোহাম্মদ জগৎ কলামে হিন্দুস্থানের অন্যতম আলেম মোলানা আবদুল হাদি সাহেব জানাইতেছেন, তিনি ২রা জিলকাদ, তারিখে মজা মোরাক্কমার উপস্থিত হন। হেজাজ গভর্ণমেন্টের মন্ত্রিবর্গ ও হেজাজ পার্লামেন্টের মেম্বরগণের সহিত বার বার সাক্ষাৎ লাভ করিয়াছেন এবং ছোলতান ইবনে হোদের সহিত ৩ বার সাক্ষাৎ লাভ হইয়াছে এবং তিনি আরও লিখিয়াছেন সেই সনের ১০ই জেলহজর তারিখে হেজাজ পার্লামেন্টের সম্মতিক্রমে হেজাজ গভর্ণমেন্ট ঘোষণা করিয়াছেন যে, “আপাদী বৎসর হইতে হজ যাত্রীদের হেজাজের এক-চতুর্থাংশ খরচ কম করা হইবে।” এখন দেখা যাইতেছে যে, হজ হওয়ার ৪ দিন পরেই খরচ কম হওয়ার কথা হেজাজ গভর্ণমেন্ট প্রচার করিয়া দিয়াছেন: বোধ করি আপনার খাঁ বাহাদুর হাজী সাহেব সেই সময় জিম্মা পর্যাণ্ত পৌঁছিতে পারেন নাই, অথচ আপনি দীনদার মোহাম্মদ হাইগণের নিকট প্রচার করিতেছেন, “খাঁ বাহাদুর হাজী বদি আহমদ চৌধুরী রিপোর্ট করাতে হেজাজ গভর্ণমেন্ট খরচ কমাইয়া দিয়াছেন।”

ভাই মোহাম্মদগণ! এইরূপ ভিত্তিহীন ও মিথ্যা কথা বাহাজ প্রচার করে সেই পক্ষের লোকের প্রতি ইমানদার মোহাম্মদের কি কর্তব্য আপনারা নিজেই বিচার করিবেন।

জাতব্য বিষয় ।

বঙ্গীয় ব্যবস্থা পরিষদের নির্বাচনের দিন স্মৃতিকট। আগামী ১৯৩৭ সালে The Government of India Act, 1935 এর বিধানমতে যে ব্যবস্থা পরিষদ প্রতিষ্ঠিত হইবে তাহার দায়িত্ব ও পূরিত্ব পূর্বদাপেক্ষা বহুতর পরিমাণ বর্ধিত হইবে। এই পরিষদের উপরই বাঙালিয়ার ভবিষ্যৎ সম্যক নির্ভর করিতেছে। উল্লিখিত আইনের ৮৫ ধারার বিধানমতে পরিষদের ব্যবসায়ী কার্যবিবরণী ইংরাজী ভাষায় পরিচালনা করিতে হইবে। কাজেই দেখা যাইতেছে যে, ইংরাজী ভাষায় লিখিবার, পড়িবার ও বলিবার শক্তি বঙ্গোপদেষের নাই, তাহাদিগকে সদস্য নির্বাচন করিয়া পরিষদে পাঠাইলে তাহারা শব্দ শোষণ-পরিষদে পরিষদ-সভার সৌন্দর্য্য বর্ধন করিবেন দ্বারা। তাহারা পরিষদ-সভার বসিয়া কোন প্রস্তাব উত্থাপন করা, সমর্থন করা ইত্যাদি কিছুই করিতে পারিবেন না। সুতরাং ইংরাজী ভাষায় অনভিজ্ঞ নির্বাচিত সদস্য হইতে দেশের কোন হিত কামনা করা সুদূর পরাধত।

আগেকার ব্যবস্থা পরিষদে সভাপতি বাহাদুরের অনুমতিক্রমে ইংরেজী ভাষায় অনভিজ্ঞ মেম্বরগণ বাংলা বা অন্য মাড়ভাষায়ও বক্তৃতা দিতে পারিতেন। কিন্তু উক্ত বর্তমান আইনের ৮৫ ধারার বিধানমতে সভাপতি বাহাদুরও কোন মেম্বরকে ইংরেজী ভাষা ভিন্ন অন্য কোন ভাষায় বক্তৃতা দিতে অনুমতি দিতে পারিবেন না।

দেশের শাসন-শৃঙ্খলা সুচারুরূপে পরিচালনা করিবার নিমিত্ত ব্যবস্থা পরিষদে আইন-কানুন এবং বিধি-ব্যবস্থা গঠিত হইবে। সুতরাং আইনজ্ঞ লোক ব্যতীত এই সমস্ত বিষয়ে আইন অনভিজ্ঞ সদস্য দ্বারা কঠোর সম্পাদন করা কতদূর সম্ভবপর হইবে তাহা সুবীক্ষণজনী অনায়াসেই বুঝিতে পারেন।

অতএব দেশবাসীর নিকট আমাদের একান্ত অনুরোধ, তাহারা যেন ইংরাজী ভাষায় অনভিজ্ঞ কোন ব্যক্তিকে ভোট দিয়া দেশের সর্বনাশ না করিয়া ইংরাজী ভাষায় উচ্চ-শিক্ষিত সচরিত্র, কম্মঠ, স্বদেশানুরাগী, স্বাধীনতা প্রার্থীগণকে ভোট দিয়া দেশের ইচ্ছিত এবং ভবিষ্যতের উন্নতির পথ সুগম রাখেন।

জ্ঞাতব্য বিষয়।

বঙ্গের ব্যবস্থা পরিষদের নির্বাচনের দিন স্মিকট। আগামী ১৯৩৭ সালে The Government of India Act, 1935 এর বিধান মতে যে ব্যবস্থা পরিষদ প্রতিষ্ঠিত হইবে তাহার দারিদ্র ও পুষ্কর পূর্বদাপে বহু পরিমাণ বর্ধিত হইবে। এই পরিষদের উপরই বাংলার ভবিষ্যৎ সম্বন্ধ নিষ্ঠুর করিতেছে। উল্লিখিত আইনের ৮৫ ধারার বিধান মতে পরিষদের দ্বারা ইংরাজী ভাষায় পরিচালনা করিতে হইবে। কাজেই দেখা যাইতেছে যে, ইংরাজী ভাষায় মিথিবার, পড়িবার ও বলিবার শক্তি বাহাদুর নাই, তাহারাদিকে সদস্য নির্বাচন করিয়া পরিষদে পাঠাইলে তাহার দ্বারা পুষ্কর পূর্বদাপে পরিষদ-সভার সৌন্দর্য বর্ধন করিবেন মাত্র। তাহার দ্বারা পরিষদ-সভার বসিয়া কোন প্রস্তাব উত্থাপন করা, সমর্থন করা ইত্যাদি কিছুই করিতে পারিবেন না। সুতরাং ইংরাজী ভাষায় অনভিজ্ঞ নির্বাচিত সদস্য হইতে দেশের কোন হিত কামনা করা সুদূরপরাহত।

অতএব দেশবাসীর নিকট আমার একান্ত অনুরোধ, তাহার দ্বারা যেন ইংরাজী ভাষায় অনভিজ্ঞ কোন ব্যক্তিকে ভোট দিয়া দেশের সর্বনাশ না করিয়া ইংরাজী ভাষায় উচ্চশিক্ষিত, সচরিত্র, কৃষ্টি স্বদেশানুরাগী স্বাধীনতাগামী প্রাধিকারকে ভোট দিয়া দেশের ইচ্ছিত এবং ভবিষ্যতের উন্নতির পথ সুগম রাখেন।

দক্ষিণ চট্টগ্রাম নির্বাচকমণ্ডলীর ভোটার সমীপে নিবেদন।

বিগত ১৯৩৫ সালের The Government of India Act বা ভারত শাসন বিধায়ক আইনের বিধানানুসারে আমরা সাতকানিরা, বংশখালী ও আনোয়ারা থানার অধিবাসিবৃন্দ বঙ্গীয় ব্যবস্থা পরিষদে একজন সদস্য নির্বাচন করিয়া প্রেরণ করিবার অধিকার পাইয়াছি। আমাদের নির্বাচিত সদস্যবৃন্দের উপর আমাদের সারা বঙ্গভূমির শিক্ষা, স্বাস্থ্য, কৃষি-শিল্পোন্নতি, আর্থিক ও রাজনৈতিক সমস্যার সমাধান ইত্যাদি সম্যক নিষ্ঠার করে। অধিকন্তু বর্তমান শাসন-নীতির পরিবর্তনের সঙ্গে সঙ্গে দেশের রাজনৈতিক ও আর্থিক অবস্থার, কৃষি, স্বাস্থ্য ও শিক্ষা ইত্যাদি সমস্যার পরিবর্তন অবশ্যম্ভাবী বটে; এহেন অবস্থায় আমাদের নির্বাচিত সদস্য যদি আমাদের দরদে দরদী না হইয়া স্বার্থান্বেষী ও প্রলোভন ইত্যাদি দোষে আকৃষ্ট হন বা শিক্ষা ও দূরদর্শিতার অভাবে প্রকৃত অবস্থা হৃদয়ঙ্গম করিতে না পারিয়া বিপথগামী হন বা স্বার্থপ্রণোদিত হইয়া দেশের উন্নতির প্রগতিতে প্রতিবন্ধক হন, তাহা হইলে দেশের ও জাতির দুর্গতির পরিসীমা থাকিবে না। পঞ্চাশতরে আমাদের নির্বাচিত মেম্বর উচ্চশিক্ষিত, চরিত্রবান, ন্যায়নিষ্ঠ, কর্তব্যপরায়ণ, উদার, সাহসী, ধার্মিক ও দূরদর্শী হইলে এবং প্রকৃত অবস্থা উপলব্ধি করিয়া দেশের ও জাতির উন্নতির প্রতিবন্ধক-স্বরূপ যে সকল কঠোর আইন আছে, সেইগুলির সংশোধন বা উচ্ছেদ সাধন করিতে পারিলে এবং উন্নতির সহায়ক আইন-কানুন ও বিধি-ব্যবস্থা স্থাপন করিতে পারিলে আমরা যে সকল বিষয়ে উন্নতির পথে অগ্রসর হইতে পারিব তাহাতে অণুমান সম্পন্ন নাই। বিশেষতঃ কৃষি বঙ্গবাসীর জীবিকানির্বাহের একমাত্র সম্বল। আমাদের নির্বাচিত সদস্য বঙ্গের কৃষক প্রজার প্রতি সহানুভূতিসম্পন্ন না হইলে কৃষকের উন্নতির সম্ভাবনা থাকিবে না। তাই আমরা সকল দিক চিন্তা করিয়া আনোয়ারা থানার অন্তঃপাতী শিলাইগড়া নিবাসী সমাজসেবক, স্বদেশানুরাগী, অকলান্ত কর্ম্মী ও পরোপকারসাধনে সতত রত, স্বার্থত্যাগী, অস্তিত্ত সেবক মৌলবী আবদুল জলিল, বি-এল, সাহেবকে আমাদের নির্বাচকমণ্ডলী হইতে সদস্য প্রার্থী হইতে মনোনীত করিয়াছি। মৌলবী সাহেব আজ কয়েক বৎসর পৰ্য্যন্ত চট্টগ্রাম ডিস্ট্রিক্ট বোর্ডে, সদর লোকাল বোর্ডে, চট্টগ্রাম স্কুল বোর্ডে অনেকগুলি উচ্চ-ইংরেজী, মধ্য-ইংরেজী, মাদ্রাসা প্রভৃতি শিক্ষানুষ্ঠানে মেম্বর নির্বাচিত হইয়া অকলান্ত পরিশ্রমসহকারে নানাভাবে দেশের ও জাতির সেবা করিয়া আসিতেছেন। তিনি হজ কমিটির সেক্রেটারী মনোনীত হইয়া পবিত্র হজ যাত্রীদের অনেক সুব্যবস্থা করিয়া থাকেন। কলতঃ মৌলবী আবদুল জলিল সাহেবের কর্ম্ম বহুদূরবী। তিনি দেশের ভাকে সাতা দিতে কোনদিন অণুমান কৃপিত হন নাই।

মৌলবী আবদুল জলিল হাফেজ বঙ্গের কৃষির উন্নতির নিমিত্ত বঙ্গীর ব্যবস্থা পরিবর্তনে বাইতে মনস্ক করিয়াছেন বিহার ভিত্তি কৃষির “আলমহই” তাঁহার চিহ্ন স্বরূপ symbol পরিগ্রহন করিয়াছেন।

অতএব হে মনোমোহন রাণী জাইনল, আপনারা দেশের ও দেশের ভুলগোষ্ঠ এবং সমাজের হিতসাধন-মানসে আপনাদের নিজ নিজ ভোট মৌলবী আবদুল জলিল, বি-এ, বি-এল, হাফেজকে দিয়া দেশের উন্নতির পথ সুগম করিতে মনস্ক করিবেন। ইতি, ২২-৬-৩৬ ইং।

FINANCE DEPARTMENT.

NOTIFICATION.

Simla, the 14th June 1937.

No. D-4355/F.—In exercise of the powers conferred by section 21 of the Indian Coinage Act, 1906 (III of 1906), and in supersession of the rules in paragraph 3 of the notification of the Government of India in the Finance Department No. 1448-A., dated the 8th March 1907, the Central Government is pleased to make the following rules, namely:—

1. These rules may be called the Indian Coinage Rules.

2. In these rules, unless there is anything repugnant in the subject or context—

(a) the "Act" means the Indian Coinage Act, 1906 (III of 1906); and

(b) "the Reserve Bank" means the Reserve Bank of India constituted under the Reserve Bank of India Act, 1934 (II of 1934).

3. A loss of $6\frac{1}{2}$ per cent. below standard weight in the case of the rupee and of $12\frac{1}{2}$ per cent. in the case of the half rupee, quarter-rupee and eighth of a rupee shall be the limit of reasonable wear; and a loss of 25 per cent. below standard weight shall be the further percentage referred to in section 17 of the Act, in the case of all silver coins.

4. Where a rupee or a half rupee, which has been diminished in weight so as to be more than 2 per cent. but not more than $6\frac{1}{2}$ per cent. or $12\frac{1}{2}$ per cent. respectively, below standard weight, and which has not been fraudulently defaced, is tendered to any person authorised to act under section 16 of the Act, such person shall accept the coin at its nominal value, and the coin shall thereupon be withdrawn from circulation at the cost of the Government of India.

5. Where a rupee or half rupee which has been diminished in weight so as to be more than $6\frac{1}{2}$ per cent. or $12\frac{1}{2}$ per cent. respectively, but not more than 25 per cent. below standard weight, and which has not been fraudulently defaced, is tendered to any person authorised to act under section 16 of the Act, such person shall, if the tenderer so requests, instead of returning the cut coin, accept it at the following rates, namely:—

- (a) rupees weighing between $15/16$ ths and $7/8$ ths of their proper weight, at the rate of 14 annas;
- (b) rupees weighing between $7/8$ ths and $13/16$ ths of their proper weight, at the rate of 13 annas;
- (c) rupees weighing between $13/16$ ths and $3/4$ ths of their proper weight, at the rate of 12 annas; and
- (d) half-rupees at the rate of 6 annas.

6. Where a quarter-rupee or an eighth of a rupee which has been diminished in weight so as to be more than $12\frac{1}{2}$ per cent. but not more than 25 per cent. below standard weight and which has not been fraudulently defaced, is tendered to any person authorised to act under section 16 of the Act, such person shall, if the tenderer so requests, instead of returning the cut coin, accept it at its nominal value, and it shall thereupon be withdrawn from circulation at the cost of the Government of India.

7. Silver coin received by Government officers under these rules and withdrawn from circulation shall, whether or not it has been cut or broken under these rules, be sent by the first convenient opportunity to the Master of the Mint at Bombay or Calcutta, or to any principal Treasury appointed by the Reserve Bank to receive such coin for remittance to the mint. Such coin will be credited in the officer's cash balance as 'uncurrent coin' at the actual value at which it has been received and on transfer to the mint will be credited

at the rates prescribed in these rules, any loss incurred in re-coinage being taken as a charge of the mint.

8. Silver coin received by a person other than a Government officer under these rules and withdrawn from circulation shall, whether or not it has been cut or broken under these rules, be sent to the nearest Treasury, where it will be paid for at the rates respectively prescribed in these rules, and thereafter it will be dealt with in the manner prescribed in rule 7.

9. In cutting or breaking any diminished, defaced or counterfeit coin, Government Officers and other persons authorised in this behalf shall not completely divide the coin, as identification of the parts of a coin becomes practically impossible if the pieces are wholly separated.

10. Persons authorised under section 20 of the Act to cut or break counterfeit silver coins should not receive and pay for the coin according to the value of the silver bullion contained therein as permitted under that section, save where from the excellence of the execution or for any other cause it seems desirable that the coin should be acquired as a specimen. The cost of paying for the coin will be charged to the Central Government. The broken pieces of coins so paid for should be forwarded to the mint at Calcutta or Bombay.

11. In determining the loss of weight in the case of silver coins to which solder or other metal has been attached the weight of such solder or other metal shall not be taken into account.

Chittagong, the 18th June 1937.

**Rules for the guidance of private candidates
for the Matriculation Examination of 1938.**

The following rules for the guidance of private candidates for the Matriculation Examination are published for general information.

1. Private students are those who have not attended any recognised or unrecognised school for at least one year previous to the examination. The term "private students" includes *bonâ fide* school-masters.

2. Private students must appear at the Test Examination of one of the following institutions on the dates mentioned below:—

Comilla Zilla School, Noakhali R. K. Zilla School, Chittagong Collegiate School and Rangamati High English School.

Date of examination—13th, 14th, 15th, 16th and 18th December 1937.

Female candidates and teachers of schools recognised by the Calcutta University, or any other University or any Board of Secondary Education in India are not required to pass the Test Examination for private candidates held by the Inspector of Schools, Chittagong Division.

3. Private candidates offering hygiene as one of their subjects need not obtain the previous permission of University for that purpose. They will be required to satisfy the Inspector of Schools that they have undergone a course of training in the subject. For this purpose they should submit to the Divisional Inspector of Schools, along with their applications for permission to appear at the Test Examination, certificates of training in it from a recognised medical practitioner or from a recognised teacher in hygiene.

4. Each private student will pay a fee of Rs. 5 to the head of the institution in which he appears for the Test Examination. No private student will be admitted to the Test Examination unless he is accompanied for the purpose of identification by some person known to the headmaster of the institution in which he appears.

5. Application for permission to appear at the Test Examination must be sent in time in duplicate in the enclosed form so as to reach this office not later than the 15th November 1937.

N.B.—A student who failed to pass or appear at the annual examination for promotion to class X at the end of the session 1936 and then left the school can, under no circumstances, be allowed to appear at the Test Examination.

6. The Inspector on being satisfied will grant necessary permission and return the application, which will then be the candidate's passport for admission to the Test Examination.

7. Every candidate must deposit his fee for the Test Examination with the headmaster of the institution in which he intends to appear, at least 15 days before the date of that examination. The headmaster will deposit the amount realized by him into the local Treasury and forward a copy of the Treasury chalan to this office. He should also submit to this office an account of the charges incurred by him (including remuneration to examiners) for conducting the examination of private candidates, together with vouchers in support of the charges, on receipt of which the Director of Public Instruction will be moved to sanction the expenditure.

8. The headmasters of the institutions named in paragraph 2 above should direct private candidates who satisfy the test to appear before them in due time, with their applications for admission to the Matriculation Examination, and to sign them in their presence. They will then grant the necessary certificate and forward the applications to the Inspector for countersignature, after which they will be returned to the headmasters for delivery to the candidates concerned.

9. In no circumstances should the fee for the Matriculation Examination be sent to the Inspector's office. It should be sent to the Controller of Examinations, Calcutta University, by the candidates themselves, together with the countersigned applications.

10. Private students must understand that the Test Examination of any school other than those named above will not be accepted by the Inspector.

11. The Matriculation Examination will be held in March 1938, the exact dates of which will be notified by the University.

12. Applications and fees for admission to the Matriculation Examination must reach the office of the Controller of Examinations on or before the date to be fixed by the University.

For this purpose they should submit to the Divisional Inspector of Schools, along with their applications for permission to appear at the Test Examination, certificates of training in it from a recognised medical practitioner or from a recognised teacher in hygiene.

4. Each private student will pay a fee of Rs. 5 to the head of the institution in which he appears for the Test Examination. 7. Every candidate must deposit his fee for the Test Examination with the headmaster of the institution in which he intends to appear, at least 15 days before the date of that examination. The headmaster will deposit the amount realized by him into the local Treasury and forward a copy of the Treasury chalan to this office. He should also submit to this office an account of the charges incurred by him (including remuneration to examiners) for conducting the examination of private candidates, together with vouchers in support of the charges, on receipt of which the Director of Public Instruction will be moved to sanction the expenditure.

8. The headmasters of the institutions named in paragraph 2 above should direct private candidates who satisfy the test to appear before them in due time, with their applications for admission to the Matriculation Examination, and to sign them in their presence. They will then grant the necessary certificate and forward the applications to the Inspector for countersignature, after which they will be returned to the headmasters for delivery to the candidates concerned.

9. In no circumstances should the fee for the Matriculation Examination be sent to the Inspector's office. It should be sent to the Controller of Examinations, Calcutta University, by the candidates themselves, together with the countersigned applications.

10. Private students must understand that the Test Examination of any school other than those named above will not be accepted by the Inspector.

HOME DEPARTMENT.

NOTIFICATIONS.

Simla, the 17th June 1937.

No. F. 366/35.—The following resolution passed by the Secretary of State is published for general information :—

In exercise of the powers conferred by paragraph (a) of sub-section (1) of section 247 and sub-section (2) of section 257 of the Government of India Act, 1935, the Secretary of State for India, with the concurrence of his Advisers, hereby makes the following Rules, namely :—

1. (1) These rules may be called the Premature Retirement Rules.
(2) They shall come into force on 1st April 1937.
(3) Any previous rules made by the Secretary of State in Council for the regulation of premature retirement on proportionate pension are hereby cancelled.
2. (1) The following officers may be permitted by the Secretary of State to retire under these rules :—
 - A. Any officer who, with effect from a date earlier than the date on which these rules come into force, was selected for or appointed to one of the services specified in entries (i) and (ii) or appointed to one of the posts specified in entries (iii), (iv) or (v) of the First Schedule, and who, if so selected or appointed after the 1st April 1924, was at the time of such selection or appointment of non-Asiatic domicile.
 - B. Any officer selected for or appointed to the Indian Civil Service or the Indian Police by the Secretary of State after the date on which these rules come into force and whose domicile at the time of such selection or appointment was non-Asiatic.

Provided that—

- (a) no officer serving in connection with the affairs of the Federation, except an officer of the Railway Department, shall be eligible to retire under these rules—
 - (i) before the establishment of the Federation, or
 - (ii) if he is permanently employed in the Crown, External Affairs, Defence or Ecclesiastical Department;

- (b) no officer of the Regular Army in civil employ who is liable to recall to military employment, no officer of the Royal Indian Navy and no officer of the Indian Medical Service who has completed less than 17 years' total service, shall be eligible to retire under these rules unless the competent military or naval authorities are unable or unwilling to absorb him in military or naval employment as the case may be;
- (c) no officer of the Railway Department, shall be eligible to retire under these rules before the establishment of the Federal Railway Authority;
- (d) no officer serving in a department administered by a Governor in his discretion shall be eligible to retire under these rules while so employed;
- (e) no officer shall be eligible to retire under these rules who is certified to be physically unfit for further service in India.

(2) If any doubt arises as to the date of any selection or appointment referred to in sub-rule (1) of this rule the matter shall be referred to the Secretary of State whose decision shall be final.

3. (1) Applications for such permission shall be addressed by officers serving in connection with the affairs of the Federation to the Governor General, and by officers serving in connection with the affairs of a Province to the Governor.

(2) An application under this rule may be submitted by an officer while he is on leave out of India, and in that case, unless the Governor General or the Governor, as the case may be, considers his return to duty necessary before his application can be considered, the rules shall apply to him in the same manner as if his application had been submitted while on duty:

Provided that an officer who has made an application under this rule while he is on leave out of India and whose application is sanctioned by the Secretary of State before his leave expires shall not be eligible for the gratuity described in Rule 12, except to the extent admissible under sub-rule (6) of that rule.

4. On receipt of an application the Governor shall forward it with his recommendation to the Governor General, and the Governor General shall forward all applications other than those which have been cancelled under rule 7 whether received direct or through the Governor of a Province, with his recommendations for the orders of the Secretary of State.

5. An officer who has been permitted by the Secretary of State to retire under these rules, or whose application has been forwarded by the Governor General or the Governor with a recommendation that his retirement be sanctioned, shall, unless the Governor General in the case of officers serving in connection with the affairs of the Federation, or the Governor, in the case of officers serving in connection with the affairs of a Province, sees reason to the contrary, be permitted to avail himself in anticipation of his retirement, of the full amount of leave which is due to him and which may be granted to him at one time (otherwise than on medical certificate) under the regulations for the time being in force and applicable to him:

Provided that if the Governor General or the Governor, as the case may be, considers that leave in anticipation of retirement should not

be granted, or that less than the full amount of leave available under regulations for the time being in force should be granted, the proposal to withhold or reduce the leave applied for shall be submitted with the reasons therefor for the orders of the Secretary of State.

6. (1) The Governor General or the Governor, as the case may be, shall fix the date on which leave granted under rule 5 shall commence:

Provided that an officer who has been permitted by the Secretary of State to retire under these rules shall not be detained in India beyond the date on which he desires to leave unless his detention cannot be avoided without prejudice to the public interest.

(2) If the Governor General or the Governor, as the case may be, considers that suitable arrangements cannot be made for the relief of any officer at the date on which he desires to proceed on leave preparatory to retirement under these rules, he may, when forwarding the application for the orders of the Secretary of State recommend that the Secretary of State should postpone the grant of permission and in that case shall specify the period of such postponement.

7. An officer who has submitted an application for permission to retire under these rules shall not be at liberty to cancel his application and, if on leave, to return to duty without the consent of the Governor General in the case of officers serving in connection with the affairs of the Federation or of the Governor in the case of officers serving in connection with the affairs of a Province.

8. (1) An officer who has submitted an application for permission to retire under these rules may be permitted to take up other employment during the currency of his leave preparatory to retirement.

(2) Such permission may be granted—

(a) if the proposed employment lies in India, by the Governor General in the case of officers serving in connection with the affairs of the Federation or by the Governor in the case of officers serving in connection with the affairs of a Province;

(b) if the proposed employment lies elsewhere than in India, by the Secretary of State:

Provided that an officer who has been granted permission to take up employment under this rule shall be precluded, save with the specific consent of the Secretary of State from withdrawing his request for permission to retire and from returning to duty in India.

(3) The Secretary of State, the Governor General or the Governor, as the case may be, shall have the right to withhold permission to take up employment under this rule in cases where the employment appears to him to be such as could not with propriety be held by a person who is still in the service of the Crown in India; or, alternatively, to grant the desired permission in any such case subject to such conditions or restrictions as he may think necessary.

9. (1) The right of any officer to receive or retain a pension under the provisions of these rules is subject to the right of the Secretary of State—

(a) to reduce or withhold any pension, if the past service of the applicant is not approved, or if the pensioner after retirement is convicted of serious crime or is guilty of grave misconduct; and

- (b) in cases where an officer obtains, prior to, or within two years from, the date of his retirement under these rules, other employment under the Crown, to suspend payment, wholly or in part, while the officer continues to be employed under the Crown, of the proportionate pension admissible under these rules.

(2) In cases where a proportionate pension is suspended wholly or in part under clause (b) of the preceding sub-rule, the officer shall on the termination of his employment under the Crown receive the full proportionate pension under these rules in respect of his Indian service in addition to any pensionary award that may be granted to him under the rules of the service in which he is employed after retiring from the Indian service.

(3) For the purposes of this rule, the expression "employment under the Crown" shall be deemed to include employment under the Governments of Crown Colonies, Protectorates, and territories mandated to the British Government, but does not include employment under the Government of a self-governing Dominion or a State in India, or under a Local Authority.

(4) A proportionate pension shall not be liable to suspension either wholly or in part under sub-rule (1) (b) of this rule unless the proportionate pension, when combined with the initial pay of the officer in his new appointment, would exceed three-fourths of the pay which he would have drawn if he had remained on duty in India.

10. Subject to the provisions of Rule 9, a pensionable officer who has been permitted by the Secretary of State to retire under these rules shall be entitled, if he has completed less than five years' total service, to a gratuity equal to one month's pay (at the rate drawn by the applicant while last on duty before his retirement), multiplied by the number of completed months of total service at the officer's credit and divided by 12, and converted at the rate of 1s. 9d. per rupee; and if, he has completed five years' total service, to a pension of the amount shown in the Second Schedule.

11. A non-pensionable officer of a Railway Service, Class I, who may be permitted to retire prematurely under these rules shall be entitled to the Railway contribution or bonus to his Provident Fund under the Provident Fund Rules of the Railway, and his gratuity under the Gratuity Rules calculated as if he had been invalided from service. If the officer has elected to subscribe to the Sterling Branch of the State Railway Provident Fund, the payment of the amount due under this rule shall be made in sterling at the rate and in the place prescribed in the State Railway Provident Fund (Sterling Account) Rules, otherwise in rupees in India.

12. (1) In addition to the pension or gratuity referred to in rule 10 or the bonus and gratuity referred to in rule 11, any officer who has been permitted to retire under these rules (other than an officer who is entitled to the pension specified in the Second Schedule as the maximum pension admissible under these rules to the service to which he belongs and when more than one method of calculating a pension is prescribed, for the method of calculating the pension actually adopted) and who proceeds on retirement or on leave preparatory to retirement to some part of the British Empire intending to settle there permanently, shall, subject to the provisions of rule 3 (2), be entitled to receive a

gratuity equal to the cost, allowing for any special rebates admissible to railway officers, of first class fares and passages from the last place of his employment in India to his destination for himself, and for his wife and children if they were in India at the time of his proceeding on retirement or leave preparatory to retirement:

Provided that except with the special sanction of the Secretary of State no gratuity shall be payable under this rule to an officer who is permitted to retire or to proceed on leave preparatory to retirement while employed elsewhere than in India and the amount of the gratuity (if any) payable to such an officer shall be such as the Secretary of State shall direct:

Provided further that where there is no railway or steamer station at the last place of employment of an officer permitted to retire under these rules, the Governor General, in the case of officers serving in connection with the affairs of the Federation, and the Governor, in the case of officers serving in connection with the affairs of a Province, may include in the gratuity of such officers an amount equivalent to the mileage allowance for his journey to the nearest station which would have been admissible to him under the travelling allowance rules applicable to him:

Provided further that officers belonging to Railway Services, Class I, shall be entitled to 1st class passes in place of the cost of 1st class fares for railway journeys in India.

(2) For purposes of payment of this gratuity to officers proceeding to or *via* the United Kingdom, first-class fares and passages shall be first-class steamer or railway fares to Bombay *plus* cost, allowing for any special rebates admissible to railway officers, of first-class passage at B rates by the P. and O. Steam Navigation Company to London (all sea route); and in addition, railway fares from London to destination. These rates are payable irrespective of the line or class by which an officer or his family travels.

(3) Payment of the gratuity admissible under this rule (excluding that portion representing railway fares from London, which shall be paid by the High Commissioner), shall be made by the Governor General or the Governor, as the case may be, before the officer leaves India.

(4) The Governor General or the Governor, as the case may be, may sanction the payment of a gratuity calculated as in sub-rules (1) and (2) of this rule, but excluding the fares and passages of the officer himself, to the families of officers who are obliged by climatic or analogous reasons to leave later than the officer himself, or in advance of the officer but subsequent to the submission of his application to retire.

(5) An officer who applies in India for permission to retire and who is permitted to leave India in anticipation of the sanction of the Secretary of State is eligible for the gratuity. In such cases, if the officer proceeds to the United Kingdom, the Governor General or the Governor, as the case may be, shall authorise the High Commissioner to make payment.

(6) Officers who apply to retire while on leave in England and whose families are in India at the time when their retirement was sanctioned by the Secretary of State shall receive a portion of the gratuity equal to the cost, allowing for any special rebates admissible to railway officers, of first-class railway fares and passages for their families when the latter leave India.

(7) In no case shall a gratuity admissible under this rule or any portion thereof be payable until the Secretary of State has sanctioned the officer's retirement under these rules.

(8) The gratuity admissible under this rule shall be reduced by the value of any benefit received under the provisions of Schedule IV to the Superior Civil Service Rules in respect of the journey referred to in sub-rule (1) above.

(9) The gratuity paid to an officer under this rule shall, in the event of his being permitted to return to duty in India, be refunded. Such refunds may be made by deductions of 36 equal monthly instalments from the officer's pay-bill, commencing with the first pay-bill drawn after return.

(10) For the purpose of this rule the term children means legitimate children or step-children of an officer, whatever their age, who are wholly dependent on him.

13.—(1) A member of the Indian Civil Service who retires under these rules may adopt at his option any one of the three following methods of retaining for his wife and children benefits, admissible under the Indian Civil Service Family Pension Regulations, namely:—

- (a) He may cease to make any contributions and payments under the regulations, and shall then retain only the right to a proportion of the contingent benefits under the regulations for his wife and children existing on the date of retirement, and for any children subsequently born to that wife. This proportion shall be equal to the number of his completed years' total service divided by 25, and the calculation shall be based upon the pension admissible to the widow of an officer of the class to which he belonged at the time of his retirement.
- (b) He may continue up to his 51st birthday to make contributions under the regulations at the rates payable by him at the date of retirement, and shall then retain the right to the full contingent benefits admissible under the regulations, according to his class on the date of his retirement for his wife existing at the date of retirement, and for any children by her, whether born before or after retirement. Under this alternative subscriptions will be payable under the ordinary regulations for each child, whether born before or after retirement. In the event of the death of the wife, subscriptions at the bachelor rate appropriate to the subscriber's class on retirement will be payable until the age of 51:

Provided that in the case of a subscriber appointed to the Service before 1st April, 1910, all such contributions shall cease with effect from the date on which he would have completed 25 years' service or from the 1st January, 1930, whichever is the later.

- (c) He may continue up to his 51st birthday to make contributions and payments under the regulations at the rates which would have been payable by him from time to time had he remained in the service. In that case he shall retain the full

benefits admissible under the regulations as if he had remained in the service until death or retirement with an ordinary pension :

Provided that, in the event of the officer failing to notify within three months of the date of his retirement the method selected by him, he shall be deemed to have elected the first of the above methods.

(2) The Secretary of State shall make good to the Indian Civil Service Family Pension Fund under a suitable procedure any loss which may be estimated to be thrown upon it by the operation of this rule.

14.—(1) An officer of the Indian Army or the Royal Indian Navy or of the Indian Medical Service who retires under these rules may select any one of the three following options with regard to his subscriptions under the Indian Military Service Family Pension Regulations or to the Indian Military Widows' and Orphans' Fund:—

- (a) He may continue to subscribe at the half rate of subscription under Article 28 of the Indian Military Service Family Pension Regulations or rule 32 of the Indian Military Widows' and Orphans' Fund: or if a married subscriber under the Indian Military Service Family Pension Regulations, he may withdraw, receiving the refund authorised by Article 28. If he continues to subscribe he will retain the same rights to contingent benefits from the funds as if he had retired under the ordinary rules.
- (b) He may cease to make any payments under the regulations except in so far as is provided by the last sentence of this clause, and shall then retain the right to contingent benefits at the rates admissible under the regulations to the widow and children of an officer of the class to which he belonged at the date of retirement, for his wife and children existing at that date, and for any children subsequently born to that wife. Under this alternative, any donation payable under the ordinary rules for any child born after retirement must, however, be paid by the officer if he desires to retain any right to continuance of benefits for any such child.
- (c) He may continue up to his 55th birthday to make payments under the Regulations at the full rates applicable to the class which he would have attained had he remained in the service until that date, and thereafter at half rates according to the class in which he is then subscribing. Any donation becoming due after the age of 55 will be payable in full as in the case of ordinary retirements. His wife and children will in this case be eligible for the full benefits appropriate to the class in which he is subscribing at the date of death :

Provided that in the event of the officer failing to notify within three months of the date of his retirement the option selected by him he shall be deemed to have selected the first of the above options.

(2) The Secretary of State shall make good to the Indian Military Service Family Pension Scheme or the Indian Military Widows' and

Orphans' Fund, as the case may be, any loss which may be estimated to be thrown upon them by the operation of this rule.

(3) The family of a military officer or of an officer of the Royal Indian Navy or the Indian Medical Service who retires under these Rules shall remain eligible for pensions under the Royal Warrant or under the corresponding rules laid down in Pension Regulations for the Army in India or in Regulations for the Royal Indian Navy, whichever may be applicable if the officer had on retirement completed 20 years' service. If such an officer is permitted to retire under these Rules after completing less than 20 years' service, the Secretary of State shall, on the death of the officer, grant, subject to the conditions laid down in the Royal Warrant or in the rules referred to above (other than the condition requiring an officer to have completed 20 years' service in order to entitle his widow or children to pensions)—

to his widow, a yearly pension of 70% divided by 20 and multiplied by a figure corresponding to the number of years' total service completed by the officer at the date of his retirement; and

to each child, a pension of 16% divided by 20 and multiplied by a figure as aforesaid, or, in the case of a motherless child, a pension of 25% divided by 20 and multiplied by a figure as aforesaid.

15.—(1) An officer who is a subscriber, under Section II of the Superior Services (India) Family Pension Fund Rules and who retires with a pension under the Premature Retirement Rules may adopt, at his option, one of the following methods of retaining for his wife and children benefits admissible under the Fund Rules, namely:—

(a) He may cease to make any contributions under the rules, and shall then retain only the right to a proportion of the contingent benefits under the rules for his wife and children existing on the date of retirement, and for any children subsequently born to that wife. This proportion shall be equal to the number of completed years during which he has subscribed divided by 25.

(b) He may continue until the expiration of 25 years from the date on which he became a subscriber to make contributions under the rules at the rates which would have been payable by him from time to time had he remained in the Service. In that case he shall retain the full benefits admissible under the rules as if he had remained in the Service:

Provided that, in the event of the officer failing to notify within three months of the date of his retirement the method selected by him he shall be deemed to have elected the first of the above methods.

(2) The Secretary of State shall make good to the Superior Services (India) Family Pension Fund under a suitable procedure any loss which may be estimated to be thrown upon it by the operation of this rule.

16. The Bengal and Madras Service Family Pension Fund which is provisionally managed and assisted by Government has for its object the provision of monthly pensions for the maintenance of the widows and children of subscribers and is open, with certain exceptions, to all active and pensioned members of the Uncovenanted Service of Government (except those serving under the Government of Bombay), and to Local Fund servants earning pensions from Government. Some of the special features of the fund are (1) that widowed daughters incapable of re-marriage or children labouring under such mental or bodily infirmities as incapacitate them from earning their livelihood or preclude the possibility of marriage (in case of a daughter) are admitted to its benefits; and (2) that subscribers to the Widows' and Daughters' branches are entitled to a refund of 30 per cent. of the premium paid, should the nominee predecease them after five years of admission. The second quinquennial valuation of the Fund has been completed by the Actuary to the Government of India, and his report discloses very favourable results. No. 2535Medl.—24th July 1937.—The following draft of a notification containing proposed rules, under the Bengal Nurses Act, 1934 (Bengal Act X of 1934), is published for general information.

2. Any objection or suggestion which any person may desire to make in respect of the proposed rules should be submitted to the Government of Bengal in the Departments of Public Health and Local Self-Government, before the 19th August 1937, on or after which date the draft rules will be taken into consideration:—

Draft notification.

In exercise of the powers conferred by sub-sections (7) and (2) of section 33 of the Bengal Nurses Act, 1934 (Bengal Act X of 1934), the Governor is pleased to make the following rules:—

Rules under sub-sections 1 and 2 of section 33.

General.

1. In these rules unless there is anything repugnant in the subject or context:—

“Act” means the Bengal Nurses Act, 1934.

“President” means the President of the Bengal Nursing Council constituted under section 4 of the Act.

“Registrar” includes any person duly authorised to act and acting on his behalf.

(a) Words importing the masculine gender shall be taken to include females; and

(b) Words in the singular shall include the plural, and *vice versa*.

2. The rules and the forms set out in the Appendix to these rules and all instructions contained in the forms shall be deemed to be part of these rules and such forms or forms substantially to the like effect shall be used in all cases for which the forms are provided.

Register of members.

3. *Register of members of Council.*—The Registrar shall maintain a register in Form I of Appendix to these rules in which he shall enter the names of and all the particulars prescribed in the said form in respect of the members constituting the Council.

Rules for the conduct of election of members of the Council under clauses (k) and (l) of section 4.

4. The Bengal Council of Medical Registration and the Governing Body of the State Medical Faculty of Bengal, authorised to elect a member of the Bengal Nursing Council respectively under clause (k) and clause (l) of section 4 of the Act, may, in exercise of that right,

elect from among their members a person proposed by at least one and seconded by at least another member with the consent of the nominee either—

- (1) at a general or special meeting of which the notice must specify this particular item, by votes recorded by ballot; or
- (2) by circulation of voting papers containing the names of all nominees as aforesaid and by obtaining their return with votes recorded within a specified date.

5. The election will be determined by the largest number of votes polled or, in the case of equality of such largest number polled by more than one nominee, by lot to be drawn in such manner as may be decided by the President of the Bengal Medical Council or the (Governing Body) as the case may be:

Provided that in case only a single nominee is duly proposed and seconded by either body he will be declared as elected without resort to the process of election.

(Government notification No. 718Medl., dated the 11th February 1936.)

Under clause (m) of section 4.

6. The President shall as soon as practicable after—

- (a) ninety days before the expiration of the term of office of a member of the Council; or
- (b) the place of such member becomes vacant by death or resignation or otherwise than by the expiration of his term of office;

take steps to have the vacancy filled by fresh nomination or election as the case may require.

7. The Registrar or any officer deputed by him to perform or assist him in his duties under these rules shall be the Returning Officer.

8. No less than forty days before the date fixed for the holding of an election the Returning Officer shall prepare and publish a notice in English in the *Calcutta Gazette* and at the office of the Council stating—

- (a) the number of persons to be elected;
- (b) the constituency for which the election is to be held;
- (c) the date on which and the hours between which nomination papers shall be presented to him, an interval of at least seven days being allowed between the date of publication of the notice and the date for presentation of the nomination papers;
- (d) the date on which and the time and place at which the nomination papers will be taken up for scrutiny;
- (e) the latest day and time at which and the place where the voting papers will be received; and
- (f) the day on which and the place and hour at which the Returning Officer will commence the counting of votes.

9. The Registrar shall once a year prepare and publish under section 32 lists of registered nurses, midwives and health visitors which shall respectively form the electoral rolls showing the name, qualification and address of every person qualified to vote for the election of a nurse, midwife or health visitor. Such electoral rolls shall after publication remain in force till the publication of fresh electoral rolls.

10. Any person whose name appears in the electoral rolls may be nominated as a candidate at the relative election.

11. The nomination of every candidate shall be made by means of a separate nomination paper in Form II of Appendix to these rules which shall be supplied free by the Returning Officer to any elector who may apply for the same.

12. (1) (a) Every nomination paper shall be subscribed by two electors as proposer and seconder.

(b) The candidate shall make a declaration expressing his willingness to stand for election.

(2) The same elector may subscribe as many nomination papers as there are vacancies to be filled but no more. Each candidate shall be nominated by a separate nomination paper.

Where a person has subscribed whether as proposer or seconder a larger number of nomination papers than there are vacancies to be filled those of the papers so subscribed which have been first received up to the number of vacancies to be filled shall be deemed to be valid. If any of the nomination papers cannot be treated as valid under this rule, all such papers shall be deemed to be invalid.

(3) On receipt of a nomination paper, the Returning Officer shall forthwith endorse thereon the date and hour of such receipt. Nomination papers received after date and time appointed by the Returning Officer under these rules for presentation of such papers shall be rejected by him.

(4) The rejection of a nomination paper of any candidate on the ground of any irregularity in respect thereof shall not affect the validity of the nomination of the candidate if the candidate has been duly nominated by means of another nomination paper in respect of which no irregularity has been committed.

13. On the date and at the time and place appointed by the Returning Officer for the scrutiny of nomination papers, every proposer and seconder and the candidate nominated may attend and the Returning Officer shall allow them to examine the nomination papers of all candidates which have been received by him as aforesaid.

14. The Returning Officer shall examine the nomination papers and shall either of his own motion or on objection made, decide all questions which may arise as to the validity of any nomination including questions regarding the eligibility of the candidates to stand for election and his decision on all such questions shall, subject to the provisions of rules 31 and 32, be final.

15. If in any case of an election under these rules the number of duly nominated candidates who stand for election does not exceed the number of members to be elected, the Returning Officer shall forthwith declare such candidate or candidates to be elected.

16. If the number of duly nominated candidates exceeds the number of members to be so elected, the Returning Officer shall—

- (a) cause the names and addresses of the candidates to be entered in voting papers Form III of Appendix to these rules;
- (b) publish the said names and addresses in the *Calcutta Gazette*.

17. Not less than thirty days before the last day appointed for voting, the Returning Officer shall send to each elector one such voting paper by ordinary post and obtain a certificate of posting in token thereof.

Provided that—

- (a) If an elector has not received his ballot paper sent by post or if the ballot paper has been inadvertently spoilt in such manner that it cannot be conveniently used or it has been lost, he may, on his transmitting to the Returning Officer a declaration to that effect signed by himself require the Returning Officer to send him a new ballot paper in place of the one not received, spoilt or lost, and if it has been spoilt, it shall be returned to the Returning Officer who shall cancel it on receipt, and
- (b) no election shall be invalidated by reason that an elector has not received his ballot paper.

18. The Returning Officer shall notify on the voting papers—

- (a) the last day and time appointed by him for voting, and
- (b) the day and time appointed by him for the commencement of counting of the votes.

Every elector desirous of recording his vote shall send his voting paper by registered post to the Returning Officer after recording his vote thereon in the manner prescribed therein, provided that voting papers which are not received by the Returning Officer on or before the last date and time appointed by the Returning Officer for receiving voting papers shall be rejected.

19. Any duly nominated candidate may withdraw his candidature by sending to the Returning Officer a written and signed withdrawal at any time before the scrutiny and counting of votes and it shall not be permissible for him subsequently to cancel such withdrawal.

On receiving notice of such withdrawal the Returning Officer shall publish the name in the *Calcutta Gazette* if time permits or otherwise declare the fact before the commencement of counting of votes and any votes which may be or may have been recorded on the candidate's behalf shall be void.

20. On receipt of a voting paper the Returning Officer shall endorse on the cover thereof the date and hour of its receipt.

21. The Returning Officer shall attend for the purpose of counting votes on such date and at such time and place as may be appointed.

22. The Returning Officer will then open the voting papers received and after satisfying himself that the electors have affixed their signatures to the counterfoils shall tear off the counterfoils and place them in safe custody pending disposal under rule 29.

23. The Returning Officer shall, at the time of scrutiny, reject a voting paper which does not comply with the instructions on the voting paper, endorsing the word "rejected" thereon.

24. Every candidate may be present in person or may authorise a representative by writing signed by him, to be present, at the counting of votes.

25. The Returning Officer shall, if requested to do so, show the voting papers which he rejects under rule 23 as well as other voting papers but not the counterfoils to the candidates or to their representatives.

26. When the counting of votes has been completed, the Returning Officer shall forthwith declare to be elected the candidate or candidates, as the case may be, to whom the largest number of valid votes has been given.

27. If any objection is made to any voting paper or to its reception or rejection by the Returning Officer, such objection shall be decided at once by the Returning Officer whose decision shall, subject to the provisions of rules 31 and 32, be final.

28. When an equality of votes is found to exist between any candidates and the addition of a vote will entitle any of the said candidates to be declared elected, the determination of the person to whom such additional vote shall be deemed to have been given shall be made by lot drawn in the presence of the Returning Officer and of the candidates or their representatives in such manner as the Returning Officer may determine.

29. Upon the completion of the counting and after the result has been declared by him, the Returning Officer shall seal the voting papers and all other documents relating to the election and shall keep the same in safe custody for a period of six months and thereafter cause them to be destroyed.

30. (1) The Returning Officer shall communicate the result of the election to the President, who will then report it to the Local Government for requisite action under section 6 of the Act.

(2) The Returning Officer shall in all cases publish the names of the elected candidate or candidates in the *Calcutta Gazette*.

31. The Council may, of its own motion or on objection made in writing by any elector including a candidate, declare any election, that has been held to be void on account of corrupt practice (*e.g.*, bribery, undue influence, personation, publication of false statements) or any other sufficient cause, and may call on the President to take steps to hold a fresh election under these rules within a specified time, and any decision of the Council under this rule shall be final and shall not be liable to be questioned by suit or other legal proceedings.

32. (1) If any question arises as to the interpretation or application of these rules, the question shall be referred to the Council whose decision shall be final and shall not be liable to be questioned by suit or other legal proceedings. Pending the decision of the Council or any such reference to it or the issue of any final orders on any enquiry

which the Council may institute upon receipt of information that an election is being or about to be held in contravention of the rules, it shall be lawful for the Council to direct the stay of the election proceedings at any stage thereof prior to the declaration of the result. Any election held or continued in contravention of the orders of the Council under this rule shall be void and be of no effect whatsoever.

(2) Unless it is otherwise ordered by the Council, election proceedings stayed under this rule shall on cancellation of the stay order, proceed from the stage at which they were stayed on fresh dates to be fixed. .

33. Despite difference in the dates of election of members prior to a reconstitution of the Council, their term of office shall begin on the date on which it is notified by Government under section 6 of the Act.

Rules for regulating and supervising the practice of their profession by the registered nurses, midwives and health visitors of the Bengal Nurses Act, 1934.

36. No registered Nurse, Midwife or Health Visitor shall—

(i) publish or cause to be published in any non-professional newspaper or journal any report of cases attended or any letter of thanks received from any patient.

(ii) Any Registered Nurse, Midwife or Health Visitor who is found by the Council to be guilty of a breach of this rule shall be deemed to be guilty of an offence within the meaning of rule 40.

37. Every Registered Midwife and every Registered Health Visitor shall maintain a Register in Form IV in the Appendix to these rules.

38. It shall be the duty of the supervising authority under section 26 of the Act to exercise general supervision over all Registered Midwives and Health Visitors (other than those in the service of the Government or a local body) practising their profession within the area under his jurisdiction.

39. All Registered Midwives and Health Visitors, other than those in the service of the Government or of a local body, shall, while on duty as such, wear washable uniforms (preferably white). It is desirable that this rule be applied to all Registered Nurses, Midwives and Health Visitors.

[Section 33 (2) (c).]

Rules regulating refusal to register and removal of name from and restoration of name to Register.

40. The Council may refuse to register or remove from the register permanently or for a specified time the name of a nurse, midwife or health visitor for—

(a) any offence including a breach of any rule which provide that such breach shall be deemed to be an offence for the purpose of this rule;

(b) professional incompetence, negligence or contravention of methods ordinarily inculcated in the course of training of nurses, midwives or health visitors;

(c) defect in character which in the opinion of the Council would render the entry or retention of her name on the Register undesirable.

41. Whenever information is received that a candidate for registration as a nurse, midwife or health visitor or a registered nurse, midwife or health visitor (hereinafter referred to as "the respondent"), has been convicted of an offence or has been censured by any judicial, supervising or other competent authority in relation to her professional character or has been guilty of any misconduct, the Registrar, after making inquiries relating thereto, shall lay the matter before the President.

42. The President may thereupon cause a written explanation to be called for from the respondent. If the President is satisfied that a *prima facie* case has been made out against the respondent, he may himself proceed with further investigation and take further evidence, taking, if necessary, the advice and assistance of a legal practitioner, or he may appoint a Committee of the members of the Council to make such further investigation and take such further evidence.

43. When the President or the Committee, as the case may be, considers that a case for further enquiry has not been made out, the President or the Committee may decline to proceed with the matter and shall report their action to the Council at its next ordinary meeting.

44. When the President or the Committee, as the case may be, considers that a case for further enquiry has been made out, the Registrar shall send by registered post to the respondent a notice in writing in form V of the Appendix to these rules specifying the nature and particulars of the charge against her, and informing her of the time and date and place of the meeting at which the case will be heard by the Council, and requiring her to send or deliver to the Registrar

her certificate not later than the date on which the hearing takes place. Such notice shall be sent by registered post to the registered address of the respondent as given by her in her application or as set out in the register and shall be posted so as to allow at least twenty-one days to elapse between the date on which the notice is posted and the date fixed for hearing.

45. In any case in which it is proved by the certificate of a Court that a conviction has not been subsequently quashed on appeal, the President shall inform the Council of the facts of the case, and the Council may forthwith, and without further enquiry, order the removal of the name of the registered nurse, midwife or health visitor charged and convicted, or the exclusion of a candidate seeking registration from the Register.

46. The case shall be heard at a meeting of the Council, of which at least seven days' notice shall be sent by the Registrar to each member of the Council and the respondent shall be entitled to be represented by a friend or by a legal practitioner, provided that if she intends to be represented by a legal practitioner, not less than seven days' notice of such intention shall be given to the Registrar.

47. At the hearing of the case, the Registrar or other person appointed by the Council for the purpose shall first state to the Council the facts of the case and the charge made against the respondent, and shall then submit to the Council the evidence received in support of the charge and the respondent or her representative shall be invited by the President to address the Council and to tender evidence in answer to the charge and the Registrar or other person appointed by the Council for the purpose shall be entitled to cross-examine any witness tendered in answer to the charge and to reply on the whole case, after the respondent or her representative has replied. The respondent shall also be entitled to cross-examine any witness tendered in support of the charge in the same way as the Registrar or other person appointed by the Council is entitled to cross-examine a witness tendered in answer to the charge.

48. If the respondent does not attend either in person or by a representative, the Council may proceed to hear and determine the case in her absence.

49. Upon the conclusion of the case the Council shall after consideration of the evidence, whether oral or documentary, pronounce its decision forthwith or at a later date in writing or at a subsequent meeting.

50. If the Council finds the charges against the respondent to be proved either wholly or in part, it may refuse to include her name in the Register or may remove her name from the Register permanently or for such period as it thinks fit.

51. The Registrar shall forthwith communicate the decision of the Council to the respondent by registered letter addressed to her registered address.

52. In the case of a temporary removal of the respondent's name from the Register, the Registrar shall delete her name from the Register in which it is included during the period of such temporary removal and shall retain her certificate. In the case of permanent removal, the Registrar shall delete the respondent's name from the Register in which it is included and cancel her certificate.

Section 33(1).

53. (a) Nurse, Midwife or Health Visitor may apply for the removal of her name from the Register. Every such application shall bear evidence that it is being made at the applicant's own request and of her own free will, and shall be signed by the applicant herself and be accompanied by a declaration made by the applicant in the presence of two witnesses who shall be Magistrates, Ministers of Religion, registered medical practitioners or registered nurses, midwives or health visitors able and willing to identify the applicant and to give evidence as to her character and who shall state explicitly whether or not they are aware of any proceedings or of any reason for the institution of proceedings which might result in establishing any cause for the removal of the applicant's name from the Register without her consent or of depriving her without her consent of any qualification or diploma or certificate she may hold and entitling her to be registered.

(b) The Registrar shall bring such application together with the documents in support thereof before the next meeting of the Council at which the application and any objection thereto shall be considered.

The Council shall then consider whether there is any valid objection to such removal and if it finds no valid objection thereto shall remove the applicant's name from the Register.

(c) The Registrar shall, upon the removal of the applicant's name from the Register, send notice of such removal to the applicant by registered letter addressed to her registered address.

Section 33(2) (c).

54. (a) When the name of the nurse, midwife or health visitor has been removed from the Register permanently or temporarily for a certain special period under the foregoing rules, any application for the restoration of the name of such nurse, midwife or health visitor either in the case of permanent removal or before or after the expiry of the term of any temporary removal shall be made in writing addressed to the Registrar and signed by the applicant, stating the grounds on which the application is made.

(b) The application shall contain the names and addresses of two or more persons of whom two shall be Magistrates, Ministers of Religion, registered medical practitioners or registered nurses, registered midwives or registered health visitors able and willing to identify the applicant and to give evidence as to her character, and the nature of her employment, both before and since the date of the removal of her name from the Register as well as such other information as may be required.

(c) The Council may require the applicant to verify by an affidavit or declaration on oath before a Magistrate any statement made in her application, or any further statement which it thinks necessary and may, if it thinks fit, require the applicant to attend in person at a meeting of the Council at which the matter is to be considered.

(d) If, upon consideration of the application and of the evidence furnished in support of it, the Council is satisfied that the name of the applicant should be restored to the Register, it may direct the

Registrar accordingly and upon payment by the applicant of the prescribed fee her name shall be restored to the Register and a new certificate shall be issued to her, if the certificate originally granted has been cancelled under rule 52.

Section 33(2) (f).

56. *Inspections.*—The Council shall from time to time depute one or more of its professional members to visit approved and recognised training institutions with a view to ascertain the manner in which the teaching of the subjects prescribed is being conducted, and to make recommendations to the Council regarding such education and training. Every such training institution shall be so inspected preferably once a year.

Khulna.—No. 2624P.H.—27th July 1937.—In exercise of the power conferred by clause (j) of sub-section (2) of section 101 of the Bengal Village Self-Government Act, 1919 (Bengal Act V of 1919), the Governor is pleased to make the following rules for the regulation of the supply of filtered water to private holdings for domestic use in the Bagerhat union in the district of Khulna:—

Rules.

So long as the union board deems it practicable and consistent with the maintenance of an efficient water-supply, it may grant to any owner or occupier of a holding paying a union rate imposed under the provisions of Chapter V of the Bengal Village Self-Government Act, 1919, at an enhanced rate for the supply of water amounting to not less than Rs. 3 per quarter, a connecting pipe from the service-pipes of the union board for the purpose of leading water to such holding for domestic use only.

1. For the purpose of these rules "holding" shall mean building or buildings with the land appertaining thereto held under one title or agreement and surrounded by one set of boundaries.

2. The owner or occupier of any holding requiring water to be laid on to such holding for domestic use must apply for the same on the printed form "A" to be supplied free of cost at the union board office. The conditions subject to which connection to a holding will be given are set out in the form, and the owner or occupier shall sign the statement undertaking to observe the rules before a house connection will be given.

3. A fee of Rs. 125 shall be paid to the union board by such owner or occupier for each connection to a union board main supply-pipe before any work is commenced, such fee to be in addition to all other costs and charges imposed under these rules.

4. Each holding must have a separate connection to the union board main supply pipe, and an extension from the communication pipe of one holding to another holding shall not be permitted, and combination of the holdings for the purpose of these rules shall not be allowed.

5. The connection shall consist of two portions—

- (a) the service-pipe from the street main to the boundary of the holding, including ferrule, stop-cock and check-pipes;
- (b) the storage tank (or tanks) with service-pipe connecting to it from the boundary of the holding, also outlet pipes, taps and other accessories as required.

6. The items referred to in clause (a) of rule 5 shall be provided and fixed by and at the expense of the union board, and such pipes and fittings shall remain as its property.

7. The items referred to in clause (b) of rule 5 shall be provided and fixed at the expense of the owner or occupier and shall be maintained by him in good working order. The tank is to be suitably covered and protected and is to be provided with locked lid, ball-valve, stop-valve and overflow pipe. The inlet and outlet pipes shall be so laid that they may be protected from sun heat.

8. The owner or occupier shall not permit the service-pipe, including the items referred to in clauses (a) and (b) of rule 5 or any part thereof, to be altered, removed or interfered with by any person other than an authorised representative of the union board, who shall be empowered by the board to alter or adjust the service-pipe as may from time to time be necessary for the maintenance of the requisite flow of water. No tapping (or branching off) of the service-pipe shall be allowed except at a level approximately the same as that of the ball-valve.

9. The tank referred to in rule 5 (b) shall be durable and water-tight and the cover, overflow pipe, and other accessories shall be so constructed that mosquitoes cannot enter the tank. The ball-valve and the other fittings shall be exact duplicates of standard samples kept in the office of the union board and approved by the board at a meeting. The storage tank or tanks shall be cleaned and sterilized quarterly at the expense of the owner or occupier under the supervision of an officer of the union board.

10. Every storage tank shall be fitted with an overflow-pipe, the end of which shall project over the wall of the building and shall be placed in a conspicuous position. Discharge of water from the overflow pipe means that the ball-valve is failing to function, and the owner or occupier shall notify the waterworks officers every time he finds such discharge occurring.

11. Every owner or occupier of any holding, in respect of which a connection has been made under these rules, shall be entitled to a supply of water corresponding to the quarterly amount of union rate payable, according to the following table:—

12. If additional water is required over and above the supply of water referred to in rule 11, requisition shall be made for the same to the union board in form C. The requisition shall be for a period of not less than one year, and payments shall be made in advance for the whole year at the rate of one pie per 10 gallons of additional water per day requisitioned.

When the above conditions have been complied with, the union board shall have the connection to the holding adjusted so as to enable the additional water to be supplied, the adjustment of the connection and the payment being based on the particulars furnished by the applicant in form C.

13. In case the owner or occupier requires for a special occasion or for any other purpose more water than the amount to which he is entitled according to rule 11 or according to a combination of rules 11 and 12, he may apply to the union board in form B (obtainable at the office of the board free of charge) for a temporary connection. He shall pay in advance the sum of Rs. 5 per tank as costs and also shall pay weekly the following charges during the whole time he retains the temporary connection:—

- (g) For a supply of 1,100 gallons per day—Rs. 2 per day.

He shall state in his application the number of weeks for which the connection is required.

14. On receipt of the application, together with the costs as provided in rule 13, the union board shall forthwith instal within the compound and at a level of two feet above ground an additional storage tank (or tanks) of 300 gallons capacity with ball-valve and two taps fixed to each tank. It shall connect the same to the street main by a service-pipe or pipes, and do all other work necessary to commence and maintain the supply.

The union board shall keep in stock a number of tanks, with pipes, fittings, and other accessories for the above purpose.

15. The payment referred to in rule 13 shall be made once a week. In case the owner or occupier fails to make the payment weekly, the union board or its officers may at once stop the supply of water through the temporary connection and remove the storage tank or tanks, temporary service-pipe, and other accessories.

16. Two or more such temporary connections may be taken, if required, on payment of additional costs and weekly charges.

17. The union board may cut off the connection between any water-works of the board and any holding to which water is supplied from such works, or may turn off such supply, in any of the following cases, viz.:—

- (a) if the holding is unoccupied;
- (b) if the occupier fails to pay his union rate;

Provided that twenty-four hours' notice in writing of such examination or inspection may be demanded.

• **Annual Report of the Royal Botanic Garden and the
Gardens in Calcutta and of the Lloyd Botanic Garden
Darjeeling, for 1936-37.**

Royal Botanic Garden.

1. **General.**—Records of steady attention to garden routine have alternated with periods in which special attempts have been made to improve the general aspect of the garden and its collections. The garden continues to attract its visitors in increasing numbers. This is especially true of the Indian community. They come by all routes and by all means of locomotion, but there is naturally a tendency to avail oneself more and more of the improved road facilities that now exist, and while visitors arriving by boat or steamer show no evidence of growing fewer, those arriving by car have certainly increased.

The garden roads were never intended for the heavy traffic that daily passes over them. In this sense the Calcutta gardens must be unique. In most gardens of similar dimensions and with similar objects the visitor passes on on foot after having left his conveyance at the gate. The restrictions placed upon him to gardens read very much alike wherever one goes. In some he is instructed to keep off the grass. His enjoyment must be obtained from the roads and pathways. He is allowed to look at but not to handle exhibits and such offences as plucking flowers, treading on beds and borders, birdnesting and so on are all provided against in the bye-laws. Custom and long precedent has allowed greater latitude to the visitor to Sibpur. Except to some of the nursery plant houses he can wander where he likes; he picnics anywhere and takes his music with him, he plays cricket, badminton and tennis and he even lights fires in approved spots when he wishes to cook his food. It is all to the benefit of the garden in that greater public enjoyment and therefore support is ensured and on the whole it must be said the latitude allowed is not taken advantage of. But the freedom does throw responsibilities on the staff that are escaped by many gardens and undoubtedly that which exercises in most is the obligation of keeping the roads in a state fit for the present day heavy wheeled traffic. Garden routine during the year has in consequence alternated with what has been the most far reaching attempts yet made to cope with this difficulty. Some of the main roads have been given a foundation that will stand up to cars while a macadamised surface to prevent the dust nuisance has rounded off the improvement. Where the improvements have been carried out the beneficial effects are marked. They would be still better if all owners of cars would remember that a garden is not a speed track. It will take time to complete road work, however, for what provision goes in this direction has now to be spared from resources intended for the garden itself.

Provision for one major work, however, is no longer a drain on garden funds. The river bank revetment is now almost completed. It has been a long and costly business and it is well that it went over to a department qualified for it. Only minor additions and repairs to the bank remain.

A scheme is under preparation for a new pontoon, the existing structure having worn out beyond economic repair after a life of over 20 years.

The monsoon began early but was normal in duration and there were no untoward effects to plants from climatic causes during the year. Annuals were late and were scarcely up to the standard of previous years but considerable variety was yet grown with fair success as was evidenced from the position Sibpur plants took in horticultural shows. Efforts towards additions to the garden of trees and shrubs not represented have been continued. This has been a special feature of garden work for some years now for the collections are not as rich as they might be although individually some very fine specimens are represented. Additions have been to the open, to rockeries, to plant houses and to the reserve collections housed in the nurseries.

Rock gardens in Bengal apart from those in the hills are seldom staged in the open; the climate of the plains militates against such location. It is more usual to find them in shaded houses and the garden houses have all the usual aspects and variety of plants selected for such staging. Its rockeries in the open are rarer. They have had their full share of attention during the year as the following additions show:—

Verbascum giganteum, *Turnera ulmifolia* var. *elegans*, *Zanthoxylum martinicense*, *Cyclamen* sp., *Primula malacoides*, *Fatsia japonica*, *Kalanchoe* sp., *Rudbeckia Californica*, *Passiflora atropurpurea*, *Azalea* sp., *Saxifraga atropurpurea*, *Iris japonica*, *Anemone japonica*, *Rumex sanguineus*, *Montbretia* sp., *Tibouchina* sp., *Hydrangea japonica*, *Kerria japonica*, *Achimenes* sp., *Zamia pumila* var. *latifolia*, *Zamia floridana*, *Saxifraga sarmentosa*, *Heliconia rosea*, *Heliconia striata*, *Euonymus patens*, *Kniphofia aloides*, *Salvia coccinea*, *Sagittaria sagittifolia*, *Miconia Hookeriana*, *Cleome pungens*, *Clidemia vittata*, *Narcissus*, *Talinum* sp., *Convolvulus major*, *Gladiolus*, of sorts, *Epiphyllum*, *Achillea sibirica*, *Aster* sp. (creeping daisy) and *Clematis Jackmanii*.

Not all are typical rock garden plants but the drier conditions possible in the mounds of rock gardens allow of attempts at the cultivation of plants that would not otherwise have much chance of success. In the new Rockery the following are reported to have flowered nicely:—*Aster novae-belgii*, *Portlandia grandiflora*, species of *Geranium*, *Saxifraga*, *Narcissus*, *Verbascum*, *Anemone*, *Cyclamen* and *Camellia*.

No fewer than 847 perennials, trees, shrubs or climbers, were planted out to permanent situation in the open. They include the following list new to or ill-represented in our collections:—

Hibiscus hirta, *Eugenia hakearfolia*, *Canarium rufum*, *Lantana salicifolia*, *Lantana Sellowiana*, *Passiflora capsularis*, *Ficus aurea*, *Morina* sp., *Paranephelium*, *Citharexylum* sp., *Carya* sp., *Catalpa Kaempferi*, *Merialia praecox*, *Jasminum dichotomum*, *Calophyllum Calaba*, *Eugenia coronata*, *Grewia populifolia*, *Chamaedorea Elatior*, *Orania philippinensis*, *Normanbya* sp., *Clematis Virginiana*, *Cassia spectabilis*, *Aristolochia Goldiana*.

The palm houses and the orchid house were put into thorough repair while the addition of a large number of Eastern Himalayan orchids, collected under the writer's supervision from Mungpoo, added to the wealth of Orchid bloom when the hot weather came in. It is to be hoped that the new experimental tank near the flower garden will lead to our being able to eliminate or overcome those conditions that retard or destroy the development of some *Nymphaea* and especially of *Victoria*. This last certainly grows more freely in Calcutta than it does at Sibpur. It is possible that the slight differences in salinity of the water are responsible just as the difference between Barrackpore and Calcutta soils, for instance, allow of the former being much better suited to

the cultivation of Roses. Amongst horticultural efforts the propagation of *Magnolia Pterocarpa* and the continued artificial pollination of *Amherstia* call for special remark. Although the quantity of seed obtained was small it was of sound condition and as the demand for it is great the initial efforts towards its production may eventually lead to a better distribution of this, the most beautiful of all flowering trees.

The vistas and open spaces of the garden were all kept in lawnlike condition. Machinery has made this possible to an extent that was not thought of some years back. During the cold and early hot season the garden is livened up by the colour of flowering annuals, but it would be improved at other times by greater masses of bedding material like *Cannas*.

One of the most commendable attempts at improvements during the year has been the Curator's effort to replace and straighten plant labels in certain of the divisions. This should be continued till the whole garden is treated, for although we suffer from what must be wilful and ill-intentioned destruction nothing looks worse in a garden than distorted and illegible labels. The improvements effected catches the eye so strikingly that this work must go on to completion. In respect of general cleanliness, in respect of its lawnlike conditions, in the matters of colour, variety and number of flowering annuals and of other content the garden is richer than it used to be.

2. Plant and seed exchange.—No fewer than 1,194 packets and 7 lbs. of seed were distributed to botanical and horticultural institutions throughout the world. Every continent is represented in the list of recipients and we have had supplies from most in return. For horticultural and roadside planting 5,381 plants were despatched and over 2,000 were received from various places.

3. Herbarium and Library.—Work in the herbarium continued along the usual lines, the opportunities for identification of collections and for the study of special groups of systematic importance being freely availed of. Identifications on some 3,500 specimens were carried out, heavy collections arriving from the Bhutan and the Sikkim Himalaya. An interesting collection that of Dr. Helfer made between 1836-1840, was reported on for the botanical museum at Prague which has housed the material, but which lacked sufficient Indian material to allow of useful comparisons and safe identifications. Material help and information on plants of economic importance added to the variety of work claimed from the herbarium staff. Information on the *Artemesias*, the source of Santonin, on the Nutmeg of commerce, on *Papaver*, on *Schizolobium*, on *Poinciana* and on plants harmful to the Tea plant come to mind in this connection.

There was an unusually large number of specimens on loan. This is mainly due to the work of Mr. Biswas at Kew and of Mr. Mookerji at Edinburgh. All our Labiateae have gone out to the latter, while Mr. Biswas has had several cases of material including the ferns, the nomenclature of which he is revising and the material of which he is bringing up to proper herbarium standard. Smaller quantities have been with the authorities at Dehra Dun, at Singapore, at the British Museum and at Shillong with Mr. Pur Kayastha of the Assam Forest Service. Besides the above, 54 specimens of living and specially preserved material of particular species of plants and plant parts, herbarium duplicates and photographs of particular plants were supplied free to specialists in and out of India. Amongst these figure flowers of *Magnolia*, photographs of *Ficus*, *Bauhinia* and *Kydia* species, specimens of aquatic plants, ferns, materials of *Salvinia*, copies from Roxburgh's *Icones* and preserved material of the common *Coniferae* of the Eastern Himalaya.

Returns of loans to the herbarium include 767 sheets of *Primula* from Edinburgh, 18 sheets of *Crepis* loaned to the University of California and 283 sheets of *Brassica* loaned to the Economic Botanist, Cawnpore. All these were reincorporated. One sheet of *Rheum Inopenetum* came from H. H. The Maharaja of Sikkim.

Under exchange account 108 sheets of Asiatic Palms from Singapore and 41 sheets of various flowering plants from Buitenzorg were notable additions.

An interesting acquisition to the herbarium is a sheet of the aquatic *Aldrovanda vesiculosa* presented by Dr. J. C. Sen of the Presidency College, Calcutta. This is interesting in two ways, namely, that it has not been collected since Dr. Roxburgh first discovered it in the Salt Lakes near Calcutta in the beginning of the 19th Century and that it has now been collected from Vikrampur, a locality removed by several hundred miles from its place of first occurrence. The writer's Sumsing Forest collections numbering some 400 have been added to the herbarium. Some 3,541 specimens were mounted and 1,292 sheets put into the herbarium. 340 covers, generic and specific, were renewed. Work on the aquatic plants for the Malaria Survey of India went to the Press again and should be out during the year. The Curator of the Herbarium contributed short notes on "Two new flowering plants", "Muddy water of the river Hooghly", "Resume on the literature on medicinal plants" and "Association of some common algae with animals in Indian Waters". The budget allotment for purchase of journals and books for the library was spent in full, 30 journals or periodicals and 17 books being purchased. 62 volumes were received back from loan leaving 26 volumes still out at the end of the year. Some 170 volumes were bound. Library authorities are grateful for the receipt of some 96 numbers of miscellaneous journals, kindly presented by Sir David Prain and by Lt.-Col. A. T. Gage.

4. **Publications.**—Volume XIV, Part 1 of the Annals of the Royal Botanic Gardens dealing with the genus *Dioscorea* by Sir David Prain and Mr. Burkill was published during the year. Part II of the same work is still in the Press.

5. **Finance.**—Out of the total budget allotment of Rs. 53,311 for staff and permanent establishment Rs. 53,198 were spent and under all other heads the expenditure amounted to Rs. 46,650 being practically the full allotment for the year. There was a net saving of Rs. 116 after a few reappropriations to excesses had been effected.

The sale-proceeds of surplus plants and seeds and minor forms of revenue realised Rs. 2,224.

6. **Staff.**—The writer held the post of Superintendent throughout the year. Mr. K. Biswas was Curator of the Herbarium from 1st April to 8th September 1936. He was on study leave out of India from 9th September 1936 to 31st March 1937. Mr. T. D. Srinivasan was Officiating Curator of the Herbarium from 9th September 1936 to 1st January 1937, and Mr. V. Narayanaswami, Systematic Assistant to the Botanical Survey of India, was Officiating Curator of the Herbarium from 2nd January to 31st March 1937.

Mr. N. Mitra was Curator of the Gardens throughout the year while Mr. Md. Quasem Ali was Assistant Curator from 1st April 1936 to 23rd February 1937. He was on leave from 24th February 1937 to 31st March 1937.

Mr. K. S. Joneja was Overseer from 1st April to 5th November 1936, when he was transferred to the Government Cinchona Plantation, Mungpoo. Mr. Gholam Mohiuddin was Overseer from 6th November 1936 to 31st March 1937.

Mr. A. T. Banerjee was Head Clerk throughout the year.

CALCUTTA GARDENS.

Owing to the late advent of the cold weather and the prolonged rains the year under review has been one of late flowering winter annuals attendant with a shorter period of bloom. Otherwise, the display has been satisfactory and an increased number of annuals in pots were colourfully staged at various vantage points of the lawns and lake in the Eden Gardens. The Dahlias have been worthy of remark. The introduction of some distinctive bulbs and seeds, under special methods of culture, proved immensely successful, some of the individual blooms attaining a size of 10" to 12" in diameter, as witnessed and appraised by many of the visiting public. Six pots of Freesias bloomed shyly but this is encouraging. The Victoria regia in the Eden Gardens exceeded expectations in that there were 30 plants, some of their leaves averaging over 5 feet in diameter, and 15 plants were put out in the Dalhousie Square tank. Over 700 flowers were recorded. The success of this is largely due to constant attention to its no easy propagation. The interest evoked from these giant water lilies was apparent from the photo-prints and descriptive paragraphs published in the leading Calcutta daily papers. Under experiment, one of the plants actually supported a bucket of water weighing 22lbs.

Great attention was given to the returfing of a large section of the lawn near the Bandstand in the Eden Gardens. The new lawn was most satisfactory but owing to its popularity, where crowds of the public enjoy their evening walk, it has been somewhat difficult to maintain its uniform smoothness and verdancy. There are always loiterers who will persist in walking on it after a heavy shower of rain, leaving deep indentations all over the softened surface.

As much as was possible, with the limited funds available, has been done towards the aesthetic, horticultural and sanitary improvement of the three gardens during the year. In addition to the general routine work numerous flowering shrubs and trees were planted out, sections of hedges refilled, storm damaged trees pruned and trimmed, flower beds treated with lime, short cuts across lawns minimised, and Court measures taken against those offenders who have wilfully abused the privileges of these gardens. Aerial roots of the central Banyan tree were treated during the rains and four of these have now struck ground soil. A cemented drain 150 feet long by 2 feet wide was laid along the south side of the Coolie Lines—a much needed improvement—to mitigate the insanitary conditions existing there. Funds not permitting, the completion of another 200 feet of this drain has had to be held in abeyance. The drainage from the premises of the Calcutta Cricket Club was also another standing problem, but a personal interview with the authorities of the Club resulted in a concrete drain being made by the Club to run from their premises into the lake. Hitherto, the water used to lie stagnant in the ride nullahs.

In recent years the eradicating of ants and other destructive grubs from the nursery beds has meant a steadily rising expense. Their pestilential incursions are accountable for no small proportion of seedling loss, and, in

conjunction with the unsatisfactory waterproofing qualities of the "hoogla" coverings during the rains, these losses are considerable. To minimise them and ensure a higher percentage of plants for bedding out, 2 concrete vats for seed-sowing and transplanting have been constructed in the nurseries, each with a surrounding drain to act as a moat. It is in view to ultimately cover these vats with wired-glass of local manufacture and to dispense with the recurring expenditure of "hooglas". Repairs were done to the greenhouse, and the propagation of *Orchids*, *Ferns*, and other flora within, consistently improved and augmented. The *Vandas* of recent purchase from Sikkim gave magnificent blooms while the *Cattleyas*, *Cypripediums*, *Dendrobiums*, etc., flowered throughout the year in their respective seasons with pleasing perfection.

Visitors who have inconsiderately dragged benches across the Eden Garden lawns, thereby ruining the turf, have now been countered by the erection of immovable benches, the legs of which are embedded in concrete blocks. Eighteen of these benches have been so fixed in shady and convenient sites of the garden. The benches in the Dalhousie Square Gardens will also have to be fixed in this manner during the following year.

Both the Royal Botanic and the Eden Gardens have been fortunate this year as the location of the objects of public benefaction. Although the work in neither is yet finished to the satisfaction of the donors, tube wells for the provision of drinking water for the public have been sunk in both. Opportunity is taken here to thank those Indian gentlemen through whose beneficence the long felt want of drinking water is at last about to be satisfied.

A section of this report must reiterate the annual grievance arising from the Eden Garden bugbear—the "Jheels". There is never sufficient money to tackle wholeheartedly a systematic dredging of these lakes, and year by year the silt is accumulating, especially at the South end where the mud is now practically at water level. Moreover, the growth of aquatic weeds is progressing alarmingly and the hygienic question must be seriously faced by the Public Health Department in their anti-malarial campaign. The reasonable recommendation by the Government Entomologist of a separate grant for the continual dredging and cleanliness of these lakes has not yet materialised. In the meanwhile, with the limited labour and time at the Assistant Curator's disposal, the jheels are receiving the maximum attention.

The number of Football and Cricket enthusiasts have literally increased by some thousands during the last few years and to say that 75 per cent. of them flow through the Curzon and Eden Gardens is no exaggerated estimate, and amongst them there is always a recalcitrant element who deliberately trample down flower beds and growing hedges. Within our own jurisdiction, it is incumbent on the Garden staff to act daily as policemen to prevent damage but it is quite impossible to cope with the colossal crowds that stampede through to the major matches. The north and south boundary walls of the Eden Garden are too low to prevent breaking through and jumping over, and a necessary deterrent is most imperative. Sections of the hedges along these ends and that of the one surrounding the Calcutta Cricket Club grounds are in a deplorable condition, despite the fact that they were generously replanted up earlier in the year. Their state is wholly due to the above abuse. A raising of the existing walls or the fixation of spiked iron railings—both works outside the competency of garden officers—would seem to offer the only solution to a growing abuse.

Finance.—Out of the total grant of Rs. 32,973 under all heads there was a small net saving of Rs. 10 only. Receipts which are mainly from fishing dues but which of recent years have been added to by fees from Cinema Companies allowed to stage scenes amounted to Rs. 58.

Staff.—Mr. Merlin Jones was Assistant Curator from 1st April 1936 to 20th March 1937, except for 30th and 31st March 1937, when he went on leave.

Mr. J. A. Hulbert was Overseer, Government Gardens, Calcutta, throughout the year. He was in charge of the Calcutta Gardens during the absence on leave of Mr. Jones.

LLOYD BOTANIC GARDEN, DARJEELING.

Work in the Lloyd Botanic Garden undisturbed by abnormal climatic conditions followed the usual routine throughout the year. The rain measurement recorded was 128.69 inches being in excess of the average. Some damage is reported from frost and from individual heavy rainfalls but nothing beyond what could be easily repaired. The rock garden to which the Curator has given special attention of recent years has been extended towards the south. Additions to it mostly of alpinists have been liberally made as the following list shows :—

Rhododendron campanulatum, *Rhododendron vacciniifolium*, *Arabis alpina*, *Aubrietia Campbells*, *Heracleum sublineare*, *Luculia gratissima*, *Luculia pinceana*, *Disporum calcaratum*, *Disporum pulchrum*, *Nirembergia Hippomanica*, *Smilacina fusca*, *Smilacina oleracea*, *Polygonum speciosum*, *Polygonum amplexicaule*, *Polygonum chinense*, *Polygonum molle*, *Polygonum tortuosum*, *Rumex acetosella*, *Geranium polyantha*, *Sarcopyramis nepalensis*, *Lysimachia ovalis*, *Brunella vulgaris*, *Fragaria vesca*, *Sierbia tibetica*, *Cynanchum vincetoxicum*, *Senecio Mortonii*, *Senecio pachycarpus*, *Senecio graciliflorus*, *Parnassia nubicola*, *Viola diffusa*, *Galium triflorum*, *Aster diplostiphoides*, *Majus dentatus*, *Ranunculus affinis*, *Lloydia serotina*, *Hypophyllum polsperma*, *Ajuga macrosperma*, *Potentilla peduncularis*, *Lycopodium serratum*, *Tiarella polyphylla*, *Chirita urticifolia*, *Gentiana elliptica*, *Androsace Hookeriana*, *Androsace Poissoni*, *Androsace coronopifolia*, *Thalictrum Dipterocephalum*, *Primula obtusifolia*, *Spirea aruncus*, *Sambucus niger*, *Calanthe alpina*, *Calanthe odora*, *Calanthe brevicornu*, *Calanthe masuca*, *Cremastra Wallichiana*, *Impatiens spirifer*, *Impatiens arguta*, *Agathe coelestis*, *Strobilanthes divaricatus*, *Globularia trichosantha*, *Erinus alpina*, *Alyssum saxatile*, *Alyssum serpyllifolium*, *Helinium sp.*, *Craufurdia speciosa*, *Iris Clarkei*, *Genista canariensis*, *Gazania splendens*, *Antennaria Margaritacea*, *Epilobium roseum*, *Erica*, *Rheum acuminatum*, *Delphinium vestitum*, *Hutis tinctoria*, *Lychnis alpina*, *Kaulfussia ameloidea*, *Horminum pyrenaicum*, *Anagallis grandiflora*, *Linaria alpina*, *Diascia Barberae*, *Calamintha alpina*, *Campanula trachelium*, *Anthemis tinctoria*, *Spergula pilifera*, *Sedum coeruleum*, *Didymocarpus pulchra*, *Leontopodium sibiricum*, *Armeria formosa*, *Adenophora Bulleyana*, *Doronicum caucasicum*, *Rubus niveus*, etc.

Some 56 beds for common Himalayan plants arranged according to their families have been prepared for the benefit of students who visit the garden. Annuals in beds and potted plants flowered freely amongst others the following new to or rare in the garden :—*Meconopsis superba*, *Meconopsis simplicifolia*, *Primula peteolaris*, *Primula denticulata*, *Primula sikkimensis*, *Polygonum amplexicaule*, *Polygonum speciosum*, *Saxifraga hispidula*, *Caltha palustris*, *Calanthe brevicornu*, *Calanthe odora*, *Asphodelus luteus*, *Genista Daisyhill*,

Iris ensata, *Iris Clarkei*, *Aster diplostiphioides*, *Aster tricephalus*, *Nirembergia frutescens*, *Nirembergia Hippomanica*, *Smilacina fusca*, *Smilacina olcracea*, *Disporum calcaratum*, *Globulaira trichosantha*, *Impatiens arguta*, *Impatiens spirifer*, *Agathea coelestis*, *Senecio graciliflorus*, *Gentiana ornata*, *Potentilla Griffithii*, *Anaphalis triplinervis*, etc.

Meconopsis superba is probably the most noteworthy. It flowered from seed, said to be for the first time at the Lloyd Botanic Garden. The young trees and shrubs have all been attended to as usual by manuring, pruning and clearing of the dead parts and by replacements. Several labels of plants that have become effaced have been rewritten and fixed up. Some 225 young plants were planted out to permanent situations in the garden during the year. Of these *Melilotus indicum* and *Disporum pulum* are new additions. A receipt of 361 packets of seed is recorded amongst which a lot of 42 packets from the Imperial University, Taiwan, is the most noteworthy. The following distributions were made:—seeds, 5,382 packets, seedlings 10,479, plants 237 and bulbs 48. The Curator reports a list of successful germinations of seed received from correspondents the individual item of which, however, need not be recorded. The usual repairs and paintings of garden seats, shelters, gates, fences, etc., have been carried out while the conservatory and glass houses have been made watertight.

A tour for the collection of alpinos mainly for distribution purposes was undertaken by the Curator to Karpanong and Changu to Kapup and Jalep La. The proximity of the Lloyd Botanic Garden to areas providing the botanist with a chance of rare alpinos calls for a special adaptability in this respect from its Curator. Successive Curators have maintained a high standard of work in this collection and distribution. It is work that calls for a standard of botanical knowledge combined with energy and physical fitness for it is no easy matter to reach the pathless heights and brave the elements where the rarest of nature's treasures often bloom. The gate register showed a total of 50,644 visitors to the garden during the year and the garden authorities took their usual full part in efforts to make the annual Darjeeling Flower Show a success.

Finance.—The net budget allotment was Rs. 15,935 for all purposes. Of this Rs. 15,783 were spent.

Staff.—Mr. S. N. Basu was Curator, Lloyd Botanic Garden, Darjeeling, throughout the year.

Resolution on the Reports of the Sanitary Board and of the Chief Engineer, Public Health Department, for the year 1936.

GOVERNMENT OF BENGAL.

DEPARTMENT OF PUBLIC HEALTH AND LOCAL SELF-GOVERNMENT.

Public Health.

RESOLUTION—No. 2627 P.H.

Calcutta, the 27th July 1937.

Read the Reports of the Sanitary Board and of the Chief Engineer, Public Health Department, for the year 1936.

It is a satisfactory feature of the year under review that although financial stringency prevented Government from making the usual grants from provincial revenues towards the cost of municipal sanitary projects, the municipal boards, as a whole, were able to devote greater attention to the problems of water-supply, sewerage and drainage in urban towns, and continued to finance such projects by means of loans and local contributions. As a result, there was a considerable expansion of the work of the Engineering Branch of the Public Health Department during the year and a great deal of progress was made in investigations into and preparation of new water-supply, drainage, sewerage and other sanitary schemes.

Sketch projects for schemes estimated to cost Rs. 28,47,350, detailed projects for Rs. 14,54,300 and detailed estimates and plans for miscellaneous works estimated to cost Rs. 2,90,861 were prepared during the year against Rs. 28,33,230, Rs. 7,93,765 and Rs. 1,65,867, respectively, under these heads in the preceding year. The total capital expenditure on sanitary engineering schemes during the year was Rs. 6,27,121 (viz., Rs. 5,70,472 on waterworks and Rs. 56,649 on drainage and sewerage works) as against a total of Rs. 3,31,062 (viz., Rs. 2,13,789 on waterworks and Rs. 1,17,273 on drainage and sewerage works during the preceding year.

2. The department continued to render valuable assistance to the municipalities and other local authorities in the shape of inspection and advice as well as of supervision, where found necessary or when called upon to do so.

In particular, the department was called upon to examine and approve schemes of water-supply based on tube-wells proposed to be financed by district boards out of loan funds, as Government were satisfied that owing to faulty methods of construction and want of attention to the details of maintenance, there had been, in the past, a considerable waste of public money when such schemes had been undertaken and financed out of district funds or grants and loans from Government.

3. Government desire to invite particular attention to paragraph 18 of the report of the Chief Engineer, Public Health Department, and trusts that municipalities intending to undertake water-supply projects for their towns will readily agree to have their schemes designed on the decentralised storage system of distribution recommended by the Chief Engineer, in view of the relative advantages of this system—

- (a) as providing a better method of checking waste of water in public water-supplies, and
- (b) as ensuring protection against the risk of contamination of such supplies.

4. The Sanitary Board, the membership of which increased from 15 to 16, held seven meetings during the year under review and examined various projects of sanitary engineering before their submission to Government. The Board also considered the reports of inspection made by the departmental officers and reviewed periodical reports on the

analysis of samples of water from various sources in the province and suggested remedial measures, where necessary. They also advised Government in regard to the control of malaria—particularly in undertaking anti-ludlowii survey and control measures in the vicinity of Calcutta.

5. During the year, the Board formed a sub-committee consisting of the following members to investigate the possibilities of extending the system of water-supply by tube-wells for irrigation purposes:—

(1) Mr. T. A. Curry, Chief Engineer, Communication and Works Department (Irrigation),

(2) Colonel F. C. Temple, C.I.E.,

(3) Rai Dr. G. C. Chatterji Bahadur.

(4) Dr. R. B. Lal, Director of the All-India Institute of Tropical Medicine and Hygiene, and

(5) F. C. Griffin, Chief Engineer, Public Health Department.

6. Government desire to convey their thanks to the members of the Board for the valuable advice given by them during the year under review.

By order of the Governor,

G. S. Durr,

Secy. to the Govt. of Bengal.
